Sir,

Ref: (1) Govt. Memo No. 1903 B2/46-7 Edn., dated 6-4-46
(2) My letter to Govt. R.C.No.95 B.1/46, dated 8--7--1946
(3) D.O.Letter No. 19013 B2/46-3 Edn., dated 8th July 1946.

My proposals for the distribution of subsidies to 22 District Boards are furnished in the annexure to this letter. Particulars from the President, District Board, Vizagapatam, since received, have been included in the annexure.

2. Proposals for the distribution of subsidies to West Godavari and Trichinopoly District Boards will be submitted supplementally on receipt of particulars from them.

3. In calculating the subsidies the following principles have been observed:-

(a) Pay and Dearness Allowance of teachers and Peons

Provision ~~have~~ has been made only for the teachers and peons in service on 31-3-1946 and appointed as a

18

as a result of the introduction of compulsion with due regard to their qualification and pay. Dearness allowance has been worked out at Rs 16/- per mensem per head which is the prevailing rate.

(b) Wages and Dearness allowance to Conductresses.

Provision for wages has been made at the rates at which they are reported to be paid. Capitation allowance is estimated at Rs 10/- p.m. for each conductress unless a different average rate is furnished by the President. Dearness Allowance is allowed at Rs 16/- p.m. per head for all full time Conductresses.

(c) Contingencies: Estimated as claimed by the Presidents, subject to the maximum of Rs 1-8-0 p.m. per teacher.

(d) Rents.- Based on the monthy actuals reported by the Presidents.

(e) Midday meals. The estimated number to be fed in each District is the same as furnished by the Presidents, limited to the maximum permitted in Govt. Memoramdum No 32083 A5 Edn., dated 1-1945 To this number the number of pupils now fed by the Labour Department and who should henceforth be fed by the District Board as per orders in G.O.No. 1051 Education, dated 28th May 1946, has been added wherever necessary. Subsidy is calculated for the number thus arrived at Re. 0-1-9 per pupil per day for 220 days though at present the number actually fed by some of the District Boards is far below the estimated number. It is expected that the estimated number will be reached during the course of the year.

In para 2 of the above G.O. Government have permitted the Board to take credit in the budget for 1946-1947 for a subsidy of Rs.1,96,508 from Provincial Funds to cover the cost of the scheme of Compulsory Elementary Education, and in para 3 of the same G.O. a subsidy of Rs.2,90,900 for the scheme of supplying midday meals to the poor school children.

Since the subsidies already sanctioned for 1945-1946 have been exhausted and the Board is not in a position to advance the amount required to meet the cost of these two schemes from its own funds, I request that Government may be pleased to

sanction the subsidy of Rs.4,87,408 from Provincial Funds to this Board at an early date.

re distribution of Subsidies for 1946-47
in respect of Compulsory ele. edn &
supply of mid day meals

In the statement annexed to your letter
ref'd to above, the calculations made under pay
of teachers are not clear in certain cases.

(1) In the case of Bellary, Nellore and Chittoor
the subsidy for untrained teachers has been
worked out at a rate lower than Rs 15/- a month.
It is presumed that the lower rate is w.r.t.

P.T.O.

the

the salary actually paid to the teachers. Please confirm.

(2) In respect of Cuddapah the subsidy of Rs. 22380/- recommended is for the 92 higher ele. grade Grade teachers and one for Secondary Grade teachers. The salaries of 3 untrained teachers have apparently not been taken into account. Please verify.

(3) In the case of North Arcot the calculations are presumably based on 157 higher ele. grade and 10 Secondary grade teachers instead 156 & 11 respectively as appear in the statement. Please examine.

(4) In the case of South Arcot and Salem it appears that the increased subsidy is w.r.t. the enhanced rate of pay sanctioned for woman teachers. Please say whether this presumption is correct.

(5) In the case of the Nilgiris the calculations

are not understood. Kindly furnish details for the sum of Rs 456/- early reply is requested.

C.No.39748 From the D.P.I. R.C.No. 95 E.1/46 dated 15-6-1946.

Sub: Elementary Education--Compulsion and midday-meals--Subsidy for 1946-47.

**

The D.P.I. has submitted proposals for distribution in 1946-47 of subsidies to District Boards towards the cost of introduction of compulsory elementary education and supply of midday meals. The proposals called for the following remarks:-

(1) The subsidies for teachers have been calculated at the rate ofRs. 25 or 20 per teacher according as he is a secondary or higher ele. grade teacher. In the case of untrained teachers the pay admissible is Rs. 15 a month. The Director has in his calculations adopted a different rate of pay in certain cases. He may be asked to explain the variation. A draft T.M. ~~Presumably it is with reference to the actual amount allowed to teachers~~.

(2) In the case of Tanjore District board the subsidy payable for midday meals has been noted as Rs. 189576 whereas subsidy due works to Rs. 1,89,998. As no subsidy will be paid to the District Board with reference to the note below the discrepancy in figures need not be enquired into.

2. In the case of Dt. Board Tinevelly the Govt. sanctioned last year a scheme for the opening of schools for Maravars and supply of midday meals to the poor Maravar children. The subsidy for schools has already been included in the annual subsidy payable to the Dt. Board for Ele.Edn. and has been disbursed separately. The subsidy for midday meals has not yet been paid. The amount payable has been estimated by the D.P.I. at Rs. 5483 This sum may be included in the amount of Rs. 1,46,637 specified in Col. 11 of the statement against the Dist. Board.

3. In passing orders on the Elementary Education fund Budget of the following district Boards the Govt. have directed an increase the rate of Edn. tax so as to meet partly or in full the cost of the schemes of Compulsory Ele. Education and supply of midday meals:-

Name of the Dt. Boards	Cost of the scheme	Cost to be met from the enhancement of Edn. Tax.
Guntur	3.50 lakhs	57000 /-
Tanjore	4.06 lakhs 4.50 lakhs	2.50 lakhs
Vizagapatam		55,375/-

@ including the cost of the subsidiary scheme

Guntur

In the case of Guntur, the Dt. Board has resolved to levy Edn. Tax at the enhanced rate and the Govt. have issued instructions to the Collector to collect the tax at the increased rate. The addl. income from the tax of Rs. 57000/- will become available in 1946-47. In circumstances the subsidy may be reduced by this figure (57000/-)

Tanjore

The cost of the scheme was estimated at Rs. 4.06 lakhs The cost is to be met from the addl. income of Rs. 2.50 lakhs from the enhancement of the Edn. tax from 6 to 12 pies in the rupee of land revenue and by utilizing a portion of the arrear toll compensation grant of Rs. 1.56 lakhs . The question of enhancement of tax is still under consideration. The President has been asked to forward a copy of the resolution of the Dt. Board resolving to levy the tax at the increased rate of 12 pies; his reply is still awaited. If the tax is raised no subsidy is to be paid to the Dt. Board. For the present Tanjore may be left out from the scope of the distribution.

Vizagapatam:

The rate of tax has been ordered to be raised from the 12 to 15 pies The resolution of the Dt. Board has been called for. The President has protested against the enhancement and has asked for an addl. contribution in respect of Edn. tax. The question whether the enchancement of the tax ordered should be insisted upon is under consideration separately. H.M.(Director) has expressed the view that the land is overburdened with tax and it is not for sanctioning increases. In view of this the subsidy recommended by the D.P.I. may be paid, in full. now A reduction may be ~~made~~ made later if the Govt decide to enforce the orders regarding enhancement of the tax.
