No. Public dated 24th July 1946.

Ref:- Memorandum No. 37056-C.2/46-1 Education dated 12-7-1946 regarding paper economy measures - Printing of G.Os.

The only cases where there would be a saving would be those cases where if the crest etc. were omitted, the matter would just get into 4 to size sheet. As such cases are not many, there is not likely to be much saving of paper by the omission of crest etc. in all cases.
