 Station Madras.

Received Registered
 To The Secretary to Government,
 Education and Public Health
 Department, Madras.

Enclosures: R.O. No. 112-A/46 dated 19th February 1946.

Sir,

Subject:- Engineering College, Guindy - purchase of a bank of 150 K.V.A. Transformers - permission requested.

I have the honour to state that in G.O. No. 510 Education dated 23-3-1942, Government sanctioned the purchase of a stand-by plant for the College Power House. Owing to the non-availability of a stand-by plant it was not purchased and instead of it a bank of 100 K.V.A. transformers was borrowed from the Madras Electric Supply Corporation on a monthly rent of Rs. 25/-. The Electric Supply Corporation now demands the return of the transformers. It is stated by the Corporation that it never used to lend its transformers and it was done in 1942 only because the transformers were not readily available for purchase then. The transformers are now required for the Corporation's own use. The Principal invited quotations for the supply of a bank of 150 K.V.A. transformers. The General Electric Company (India) Limited is the only company that gave a complete quotation and the company's price comes to about Rs. 12,750/- (Rupees twelve thousand seven hundred and fifty). The Principal of the College requests that permission may be granted to him to place orders for the transformers now. The supply may be expected within 6 or 7 months from the date of the order. The actual expenditure will be incurred only in 1946-47. An application for provision of funds will be made in due course in 1946-47. As the purchase of transformers is urgent, I request that Government may be pleased to permit the Principal to place orders for them immediately.

No. 772 M/46/6 dated 12-4-46.

Sir,

Sub: Engineering College, Guindy - Purchase of a
bank of 150 KVA transformers.
Ref: Government Memo No. 11075 A/46/2 dated 15-3-46.

With reference to Government memo read above, I have to state that the proposal of the Principal, College of Engineering, Guindy in ordering the transformers is in order and may be approved. The quotation of Messrs. General Electric Company Limited which was sent by the Principal to me appears alright; but before selection, the Principal may obtain quotations as he is already doing from other reputable firms also. The actual selection can be left to the Principal.
