The posts ^{now substantively vacant} in the Administrative Section of the Women's Branch of the M.E.S. ~~now substantively vacant~~ are the four mentioned at p.1 C.F. The first vacancy has to go to a direct recruit and the following 3 ~~for~~ to transferees. Against No.(1) Miss Salma Ansari was recruited. She is offg. in the post and ^{has been} not yet confirmed. To fill Nos.(2) to (4), the Dir. has suggested ^{3 senior most approved probationary and also} the transfer of the liens of certain other officers. ~~also~~ The proposals are in order and may be accepted.

I understand from the Office Note that the above recommendations are in order but I am afraid that one matter has not been considered at all in making these postings. I understand Miss. A.Suares is a European and I do not know whether she knows Tamil and that it will be a mockery to put her in charge of the Government Secondary Training School for Women, Ellore; and so also, I do not know whether Miss. D.Frank knows Telugu to be posted to Rajahmundry. Mrs. S.B.Israel ^{is posted} to Coimbatore and Mrs. M.L.Small to Cannanore. I am afraid when postings are made, sufficient consideration is not given to the fact whether the persons posted can do real and efficient service to the locality to which they are posted, by knowing the local language. I would suggest that this should be borne in mind when such postings are made. The necessary information may be given to enable final orders being passed.

The file deals with confirmation of certain officers and transfers of liens of certain others. The position set out at 'A' in H.M. (Edn)'s minute on p.2 ante will ~~remain~~ be closely observed when postings are ordered; the cases dealt with in this file do not in any way affect the actual postings of officers but only give them on paper permanent liens in certain posts.

4/ Only first appointments to the M.E.S. came up to Govt. Postings and transfers are done by the D.P.I. with reference to rule 16 of the special rules relating to the M.E.S. Whenever proposals for first appointments are received the point mentioned at "A" in H.M. (Edn)'s minutes is being examined and each case put up for orders. As regards postings and transfers made by the D.P.I. he may be instructed in the matter. It may however be pointed out that in the Women's Branch of the M.E.S. there are only 3 Inspectress of Girls' Schools each having jurisdiction over ^{more than one} district, 9 Superintendents of Government Secondary and Training Schools and 1 Headmistress in the M.E.S. besides the Inspectress of European schools ^{who are} ^{as lecturer in Domestic Science} Presidency Officers. It may not always be possible to post a person qualified in the language of the locality, for ~~all~~ these posts. Anyhow, the Director may be asked to observe

the instructions strictly in future as far as possible and report exceptional cases to the Govt. A draft memo is submitted. The draft ^{order} may ^{be} approved.
