I request that Government be pleased to sanction the supply of Stationery and Forms to the Deputy Conservator of Forests on Special Duty at Madura, who is employed there with reference to G.O. Ms. No. 711, Development, dated 20-2-45.

2. The Deputy Conservator of Forests sent an indent for stationery articles to the Superintendent of Stationery, Madras but the latter has returned it stating that the free supply of Stationery articles requires the sanction of Government. A copy of the letter C.No. 327/46.R dated 24-2-46, from the Conservator of Forests, Coimbatore Circle, is enclosed. As the officer and the staff under him are experiencing considerable difficulty for want of stationery articles, I request that the supply may be sanctioned at an early date.

Similar sanction was accorded for the free supply of Forms and Stationery articles in G.O. No. Ms. 1693 Education dated 24-10-45 and G.O. No. 1764 Education dated 30th October 1945 respectively to the Assistant Conservator of Forests on Special Duty at Trichinopoly.

that the Act of the Committee in removing the trustees is *ultra vires*. The President, Hindu Religious Endowments Board, contends that (1) under Section 57 (1) (c) of the Act the Board can take power to itself to appoint trustees; (2) with reference to a decision of the Privy Council (M. L. J. 515) the authority which makes the appointment is the only authority competent to remove or dismiss the person appointed; and (3) that the Committee should only enquire into the matter and not take action under Section 52. 2. The Government now proceed to pass the following orders on the issues raised above:—

(1) The Hindu Religious Endowments Board has power under Section 57 of the Act when settling a scheme for a temple to appoint new trustees in addition to, or in lieu of, existing trustees.

(2) Section 53 of the Act is quite general and applies to all trustees of non-excepted temples including those appointed under a scheme framed by the Board in pursuance of Section 57. Section 16 of the General Clauses Act, 1897, has no application to the interpretation of a Provincial Act, which moreover contains a specific provision in Section 53 vesting the Committee with powers of removing and dismissing trustees. The Privy Council decision referred to by the President, Hindu Religious Endowments Board, was based on a specific provision in the old Government of India Act laying down that a Government Officer should not be removed from office by an authority subordinate to that by which he has appointed; and hence it cannot apply to a case governed by the Hindu Religious Endowments Act, 1926.

(3) The action of the Board in cancelling the dismissal order of the trustees by the Committee is therefore not in order.
