To

The Minister for Education,
MADRAS.

The humble representation of Punem Sri Ramulu Dora,
resident of Kondrukota of Polavaram Division (partially
excluded area of the West Godavari District).

Sir,

I beg to represent that I belong to the Koya Dora
Community which is one of the aboriginal hill tribes of the
Madras Presidency. I passed V Form and could not get
through the S.S.L.C., Public Examination, though I sat
for it three times during the last three years.

I have a great desire to prosecute my studies in
a College; but unfortunately this is denied to me in view
of the fact that I was not declared eligible.

In this connection, I beg to approach your Honour with
the ardent hope of receiving some help at your Generous
hands in regard to my admission into the Intermediate Class.

I beg to submit that my community is so backward,
that the percentage of literates in it is deplorably low
and the number of candidates seeking University Education
is quite insignificant. Unless the eligibility is relaxed
in our case, there is little chance for higher education in
our community.

As such, I most earnestly request your honour to be so
kind as to create a special privilege for me to study in the
Intermediate Class and thus encourage my earnestness for higher
education.

Kondrukota
D/11. 7. 1946.

I beg to remain,
Sir,
yours most obediently.
P. Sri Ramulu
