No. 5/S.B.C. dated 23rd July 1946.

Sir,

As intimated over the telephone, I have the honour to report that on account of the General Strike workers of the Press demanded in a body the sanction of a half holiday today as in a great many cases food carriers have not turned up and they requested that as they anticipate trouble they might go to their homes for the remainder of the day. They had all worked satisfactorily during the morning and gave no trouble; consequently I gave them permission to go. I should be grateful if you would put this case before the Minister for approval of my action. All very urgent work has been completed.
