dated 25th April 1946 sanctioning the deputation out of India of Mr. T. I have the honour to state that the need
for a Microtome has been keenly felt for use in the
Botany Section for some time past. This apparatus is
essential for the research work on plants conducted in
this institution. Without this apparatus it is impos-
sible to study the morphology, anatomy and cytology of
many of the lower plants and these studies alone give
a definite clue to a systematic classification. Though
as per M.F.C. Rule 125 Sub Rule VIII (c)(ii)(xii) I
could place an order for this apparatus which is re-
quired for experimental and research purposes, direct

with the firm, on account of War I had to place the indent with the High Commissioner for India, London. Accordingly I have included this item in the estimate of charges in England under "Stores" for 1946-47 in the Estimates forwarded with my letter No.816-1/45 dated 4-7-45. Necessary provision of £120/- for 1946-47 has been made by Government in their letter Ms.No.1054-Edn., dated 13-7-1945 to the Secretary to the High Commissioner for India. The revised amount for 1946-47 now required is £165/-so as to meet the increased cost and freight etc. charges. In the circumstances I have to request that Government will be pleased to accord sanction for the purchase of the Microtome and to approve the R.E. for £165/- provided therefor.

As regards B.E.of £225/- for 1947-48 the amount includes the cost of glass jars etc. for the Museum exhibits and of a roll film camera of the Holeyflex type which is also badly needed for the Anthropological work. For the glass jars alone a sum of £150/- is required and the balance of towards the cost of the camera. The need for a good number of glass jars which are required for replacement was keenly felt for many years past, and so also the want of a roll film camera of the type mentioned above is a serious handicap to the work in the Anthropological section. Because of the war, these articles could not be indented for. Now that the war has come to close I have the honour to request that Government will be pleased to sanction the purchase of both the glass jars etc. and the roll film camera, providing £225/- in the Budget Estimate for 1947-48.

I have the honour to be,
Sir,
Your most obedient servant,

A. Aiyappan

In continuation of my letter No.2241-1/46 dated 5-8-46 reporting that the Revised Estimate for 1946-47 may be fixed at £165/I have the honour to submit that this provision has now to be modified to £255/in the following circumstances.

In the Budget for 1945-46 a provision of Rs.1120/- was made so as to meet the cost of a Microscope the purchase of which was sanctioned in G.O.Ms.No.2103 Edn., dated 12-12-1945. The purchase of this apparatus was not effected by the Director General, in 1945-46.

He

He now reports in his letter No.S.1507/46 LHB dated 5-7-1946 (copy enclosed) received here on 9th August 46, that this expenditure has now been brought forward as liabilities for the current year. The current year's Revised Estimate of £ 165/- covers the cost etc. of the Microtome, the urgent need for which is already explained in my letter referred to above. I have therefore the honour to request that Government will be pleased to fix the Revised Estimate for 1946-47 at £255/- so as to provide the cost etc. for both the Microscope (£90/-) and the Microtome (£165).

I have the honour to be,
Sir,

Superintendent.

Encl. Copy of letter No.S.1507/46 LHB dated 5th July 46 from the Director General, India Store Department, Blackpool to the Superintendent, Government Museum, Madras.

I am directed to inform you that liabilities estimated at £90/- including the cost of packing, freight and Departmental expenses have been brought forward from the financial year 1945/46 in respect of stores demanded which were not delivered in time for payment during that year.

These liabilities will have to be met from the
sum

sum of £120/- provided in the Budget for Stores expenditure in this country under the head "36 Scientific Departments" and the amount available for current year's indents reduced accordingly.
