Enclosures: RClNo. 62/45 dated the 5th August 1946.

Sir,
 Madras Educational Service -- Post of Instructor in
 Surveying and Drawing -- College of Engineering, Guindy
 Vacancy -- Filling of -- Recommendation -- Submitting.

In G.O.No.Ms.1431 Education dated 23.7.1946 Major B.H. Marley, permanent Instructor in Surveying & Drawing, College of Engineering, Guindy; has been appointed to officiate as Professor of Civil Engineering, A.H. College of Technology, Coimbatore. Consequently, the post of Instructor in Surveying and Drawing, College of Engineering, Guindy, has fallen vacant. Sri V. Kalyanaraman who was officiating in the post during the absence of Major B.H. Marley on other duty in the Military Department, is not now available for being posted to this vacancy as he has already proceeded to Canada for advanced studies.

2. In regard to the filling of the vacancy the claims of the Senior and Junior Assistant Instructors, Junior Workshop Instructor and the Laboratory Assistants in the Madras Educational subordinate service were considered. None of them possesses the qualifications prescribed for the post, viz.,

- (1) A pass in the final examinations leading up to the B.E. degree of the Madras University in the subject concerned (i.e. Civil Engineering) and
- (11) Practical experience of the work relating to the subject concerned for not less than four years.

Among the officers whose claims were considered Sri P. Bhairavamurti, officiating Laboratory Assistant, Strength of Materials Laboratory, College of Engineering, Guindy, is the only candidate who holds a degree in Civil Engineering, and possesses the academical part of the qualifications prescribed for the post of Instructor in Surveying and drawing. He does not however possess the practical experience in the subject for a period of not less than four years.

3. The Principal, College of Engineering, Guindy, who was requested to recommend a suitable candidate for appointment to the post under emergency provisions, has suggested the appointment of one Sri N.R. Sitapati who is now serving as Instructor in the Annamalai University. It is reported that this candidate is fully qualified for the post but will not accept the post of Instructor in Surveying & Drawing in the Guindy College under emergency provisions or on any starting pay of less than Rs.350/-p.m. in the scale of pay sanctioned for the post. As the vacancy has to be filled immediately the appointment will have to be made in the first instance only under emergency provisions and as the person appointed cannot be started at a higher rate than the minimum in the scale of pay attached to the post the question of appointing Sri N.R. Sitapati cannot be considered.

4. The Chief Engineer, P.W.D. who was requested to spare the services of an Assistant Engineer for appointment to the post last year when a vacancy was about to arise, stated that as the Madras Engineering service was also short of officers some other arrangements might be made to fill the vacancy. As the Chief Engineer has already been addressed to

to spare the services of one of his officers for appointment as Instructor in Civil Engineering, I am not approaching him again for the loan of services of another officer for appointment to the present vacancy.

5. In the above circumstances, I recommend that the Government may be pleased to appoint Sri P. Bhairavamurti officiating Laboratory assistant to officiate as Instructor in Surveying & Drawing, College of Engineering, Guindy, under rule 9(a)(1) of the General rules relating to the Madras Provincial & Subordinate services. Though Sri Bhairavamurti does not satisfy the qualifications regarding practical experience I may say that he has been officiating as Laboratory Assistant for nearly two years. He is an officer belonging to the Scheduled castes and is perhaps the first B.E. of his community in Madras; and I request that this point may also be given special consideration.

I solicit the favour of early orders.

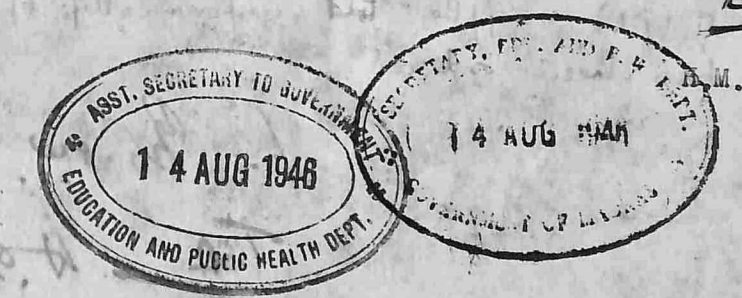

I have the honour to be,
Sir,
Your most obedient servant,

M. Bhairavamurti
for Director of Public Instruction.

G.A.W./5.8.1946.

Secretary, E. & P.H.

I am herewith sending the note of the Minister for Public Information. It makes a serious allegation that communalism is being introduced to the disadvantage of the Harijan Candidate. The Principal of the Engineering College may be asked to furnish the necessary information.

Two posts of Instructors in the Engr. College, Guindy, [the ^{prescribed} ~~academic~~ part of the prescribed qualn. for which is B.E. (Civil)], are now vacant:-

- (1) Instructor in Civil Engr.
- (2) " in Surveying and Drawing.

The question of appointing Sri P. Bhairavamurti (B.E. Civil), the candidate referred to at pp. 3-4 infra, to post No. (2) ^{above} is dealt with in the top file. (- and not for civil Engr -)

[It is true that for post (2) the Principal recommended to the D.P.I. one Sri Sitapati of the Annamalai Unty.,

Proposals for filling post (1) - Civil Engr. - have not yet been recd. from D.P.I.

CF-1-LF

a fully qualified candidate. But as that candidate ^{is} ~~was~~ not likely to accept the post on a tempy. basis or on the minimum of the ~~scale~~ of the post (Rs. 200), the D.P.I. has recommended that the gn. of appointing him need not be considered. ^{This recommendation is proposed to be accepted.}

It is presumed that no refce. need ~~not~~ ^{now} be sent to the Principal (thro' D.P.I.) in view of the proposed appt. ^{perhaps} H.N.(P.I.) may be told informally of the appt. after it has been ordered.

To the Honble Minister
for Public Information
and Harijan uplift

Sir, I come to know that the Principal of Engineering College Guindy is bringing in a Parahmian Candidate from out side for an Instructor in Civil Engineering post which has recently fallen vacant in consequence of the present instructor being promoted as a professor.

The legitimate duly qualified candidate who is to be promoted to the said post is a Harijan Candidate Mr. P. Bhysavanmesthy who is working as an officiating Laboratory Assistant for the last two years in the same College. So I request the Honble Minister to interfere in this matter in order that the Harijan candidate P.O.

may be promoted to the
above post according to
rules and justice. Thanks.

Yours sincerely

M.E.S. - Post of Instructor in Surveying and Drawing - Filling.

The post, proposal for filling which has now been subd. by the D.P.I., is that of Instructor in Surveying and Drawing, The qualifications prescribed for the post are those at "M", C.F.1. The methods of recruitment are -

- (1) Transfer from the M.E.S.S. (from Asst. Instructors or Workshop Instructor or Laby. Assts.); or
- (2) Promotion from Senior Workshop Instructor or Junior Instructor.
- (3) If no qualified and suitable person is available by the methods (1) and (2), direct recruitment.

The present Senior Workshop Instructor is a B.E. (Mech.); there is also no post of Jr. Instructor (M.E.S.) in Civil Engg. or in Surveying and Drawing; hence, method (2) should be ruled out. As regards (1), the D.P.I. reports that none of the officers in the categories mentioned possesses the qualfn. and that the only candidate among them who holds a Civil Engg. degree (academical part of the qualfn.) is Sri E. Bhairavamurti, offg. Laby. Asst. For the reasons mentioned in paras 3 and 4 of the Dir.'s letter, he recommends that Sri Bhairavanurti may be apptd. under the emergency provns. This recommendation be accepted, as a tempy. measure, in view also of "P" on C.F.

2. In the absence of qualified suitable candidates for filling the post regularly, the question of advertising it for direct recruitment (method (3) above) has to be considered. The Dir. may be asked to address Govt on this point.
