No. 2071-E/44, dated 14th June 19 46.

ENCLOSURES \_\_\_\_\_

SUBJECT:- Physical Education - Grant of stipends to men candidates from Aided secondary schools undergoing Physical Training in the Y.M.C.A. College of Physical Education, Saidapet - Continuance at enhanced rates - proposal submitted.

SPARE COPIES \_\_\_\_\_

REFERENCE:- G.O. Ms. No. 655 Education dated 26-4-1945.

In the above order, the Government have sanctioned as a temporary measure 30 stipends of Rs. 12/- each for 10 months in a year to men candidates deputed by managements of aided Secondary schools of this Province to undergo Physical Training for the Diploma and Higher Grade certificate courses in the Y.M.C.A. College of Physical Education, Saidapet. As the above sanction is only for the duration of the War, I request that the stipends may be continued, as the need for the stipends still exists even though the war is over, until the dearth of Physical Education teachers in the Province disappears, in any case, for the next five years, with increased number of stipends and at enhanced rates as shown below.

2. In this connection I may state that I have recommended to the principal, Y.M.C.A. College of Physical Education to arrange for the admission of 200 candidates at the college, as hitherto the admissions were restricted to about 100. The number of stipends may therefore be correspondingly increased from 30 to at least 60 or more with effect from 1946-47. Additional stipends will be applied for, if necessary, after the admissions are made.

3. The stipends of Rs. 12/- per mensem is too low to ensure the required number of candidates. Moreover, the stipend of Rs. 12/- in the case of secondary grade trainees has been increased to Rs. 18/- in G.O. Ms. 1018 Education & Public Health dated 21-5-46. Further the expenditure on food, books, dress, equipment etc., at the Y.M.C.A. College of Physical Education is much more than in a training school. Unlike the Training school students,

P.T.O

all the students of the Y.M.C.A. College are required to reside and mess in the College quarters, have regulation costumes for physical activities and to purchase a large number of prescribed text-books. A statement of necessary expenditure is given below: -

1. Tuition fees.

- (i). Diploma Course Rs. 150/- per year ( Rs. 15/- p.m. )  
 (ii). Higher Grade Course. 125/- " ( " 12 1/2 " )  
 (iii). Lower " " 100/- " ( " 10/- " )

2. Hostel rent... Rs. 5/- per mensem.

3. Library fee, Physical activities fee }  
 Health service fee and mess ~~estt. fees.~~ } RS. 4/- p.m.  
establishment fees.

4. Mess... " 25/- to 28/- p.m.

5. Registration fee... " 5/-

6. Regulation uniforms... 20/-

7. Examination fees.

Diploma and Higher grade.. RS. 10/-  
 Lower Grade. " 6/-

8. Camp, excursions, etc... " 10/-

9. Books... " 60/-

10. Equipment ( Sports articles and shoes ). " 30/-

It is on account of this heavy expenditure that a sufficient number of suitable candidates have not been forthcoming for training. So I recommend that a stipend of at least Rs. 25/- per mensem may be sanctioned for each student.

4. The cost of the proposal for 1946-47 will be Rs. 25 x 10 x 60 or Rs. 15,000/- and the cost in subsequent years will be the same as in 1946-47.

Ref: Your Telephonic Message dated 9-7-46.

1. I agree that the rate of stipends for candidates who  
undergo the physical training course should be the same whether  
the candidates are men or women.

2. As regards additional expenditure the sanctioned number  
of stipends for women candidates is 30 at Rs.12/- per mensem  
for 10 months Rs.3600/- and the expenditure proposed at Rs.25/-  
for each candidate is 30 x 25 x 10 or Rs.7,500. So the addi-

Order 1600 (Edn) 19-8-46  
MS.

The Govt sanctions the continuance of the grant of stipends to men candidates undergoing training at the Y.M.C.A. College of Physical Education, Saidapet, in 1946-47.

ante. It is seen from the report of the D.P.I. that only 19 men candidates have been deputed to undergo physical training. It is not necessary <sup>to increase the</sup> that the number of stipends ~~should be increased~~ now. The question may be considered when the number of admissions justify an increase.

3. If the proposal as modified ~~note~~ above is approved, the additional cost will be Rs. 3600 per year.

4. Finance may see for remarks.

#### Finance (Exp.A)

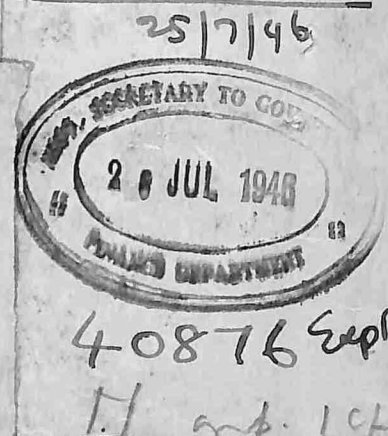

The proposals of the D.P.I. are:

(1) that the stipends granted for the duration of the war to men candidates deputed by managements of aided schools to undergo training in the Y.M.C.A. College ~~Saidapet~~ of Physical Education at Saidapet may be continued for a further period of 5 years from 1946-47,

(2) that the rate of stipends granted to men students at the Y.M.C.A. College and the women students undergoing training in the Physical Training class for women at Saidapet may be increased from Rs.12 to Rs.25 p.m., and (3) that the number of stipends for men candidates may be increased from 30 to 60.

2. Proposal (1) above. The D.P.I. states that the stipends may be continued for ~~xxxx~~ 5 more years as the need for the stipends still exists even though the war is over. It is submitted that the grant of stipends was limited <sup>to</sup> for the duration of the war, as it was felt that the shortage of candidates was due <sup>to</sup> remunerative war work being readily available for all. Now that the war is over and the demobilisation has commenced, the prospects of employment for men without war service will not be <sup>so good.</sup> brighter. So ~~the~~ <sup>more</sup> candidates are likely to take up the Physical Education course gradually. It would therefore seem <sup>better</sup> advisable to

review the need for the grant of stipends at shorter intervals, <sup>rather</sup> than to sanction it for a long period of 5 years <sup>now</sup>. Sanction for the continuance of the Physical Training class for women and grant of stipends to them exists ~~xxxx~~ for the current year only. This department may therefore <sup>also</sup> suggest that stipends for men candidates <sup>only</sup> may be granted for the current year <sup>only</sup> for the present, and that the need for continuing the concession for both ~~the~~ men and women candidates may be considered <sup>together</sup> ~~at a time~~ at the end of the <sup>current</sup> year.

3. Proposal (2) above. The E.P.H. dept. propose that, as the rate of stipend was fixed at Rs.12 p.m. on the analogy of the rate of stipends granted for teachers undergoing ~~training~~ secondary grade training and as the rate of stipend for the secondary grade teachers has since been raised to Rs.18 only, it is sufficient if the rate of stipend ~~xxx~~ is increased to Rs.18 for the present. Submitted ~~that~~ this department may agree to the proposal of E.P.H. The extra cost will be Rs.3600 for the current year.

4. Proposal (3) above. The E.P.H. dept. do not propose to increase the number of stipends, for the reason stated at A on p.2 above. No remarks are called for in
