Station Madras ; Dated the 11th June 1946.

From (Name) B.L. Lobo Esq., B.A.(Hons.), (Cantab.),

(Designation) Dy. Director of Public Instruction
(Incharge)

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

I have the honour to report that considerable difficulty has been felt by the department in securing the services of qualified women Pandits for employment in institutions intended for girls. As a result of this many of these institutions have on their staff only men teachers. Government have already taken up the question of enforcing the vernacular as the medium of instruction in all schools. Also, there is the question of making vernacular as the first language and English as the second language. In connection with the above proposals, particular stress has been laid on the necessity of improving the standards of the vernacular in secondary schools and, therefore, of having language teachers for the work.

2. In view of the above and with a view to mitigating the present paucity of qualified women Pandits, I recommend for the sanction of Government a scheme for encouraging women to take up the language group in the Intermediate in Arts Classes leading up to the B.O.L. degree (Pass or Hons.). This can be done by the institution of a certain number of scholarships to the women students who take up the language group in the Intermediate course leading up to the B.O.L. degree later on, and

G.O. No. 1136 of 1946

to women, if any, who are now doing the B.O.L. degree course. To start with, I recommend that Government may be pleased to sanction the award of 20 scholarships (10 in the Junior Intermediate class and 10 in the first year of the B.O.L. pass or Hons. Class) for 1946-47 at the rate of Rs. 12/- p.m. per scholar in the Intermediate classes and Rs. 16/- per mensem per scholar in the B.O.L. classes (tenable for nine months in a year). The rate and number of months are the same as for Government scholarships tenable in Arts Colleges. I consider that this proposal should receive the special and immediate consideration of Government.

3. The cost during 1946-47 will be Rs. 2,500/- (in round figures as indicated below:-

	No. Months	Value	Amount.
Junior Intermediate Class	10 x 9	x 12	.. Rs. 1,080/-
First year of the B.O.L. Class ..	10 x 9	x 16	.. Rs. 1,440/-
			Rs. 2,520/- or.

Rs. 2,500/- in round figures.

The ultimate cost will be Rs. 6,500/- (in round figures) as shown below:-

Intermediate classes for 10 students at Rs. 12/- p.m. for 2 years.	10 x 9 x 12 x 2 ..	Rs. 2,160/-
B.O.L. classes for 10 students at Rs. 16/- p.m. for 3 years.	10 x 16 x 9 x 3 ..	Rs. 4,320/-
		Rs. 6,480/- or.

Rs. 6,500/- in round figures.

Sub: Scholarships - B.O.L. Women students

Sir,

Award to.

In continuation of my letter No. 590 A/45 dated 11-6-1946 recommending the institution of scholarships to be awarded to women students who intend to take the B.O.L. Degree (Pass or Honours) I have the honour to state as follows:-

The B.O.L. Degree (Pass or Honours) of the type contemplated in the letter quoted above is peculiar to Madras University. The corresponding degrees in the other Universities in the Presidency are the B.A. (Hons) degree in Telugu in the Andhra University and the B.A. (Hons) in Tamil in the Annamalai University. The proposal contained in my letter quoted above is slightly defective in that it would cover only the Madras University. It will not be proper to leave out of the scheme either the Andhra or the Annamalai Universities. I have the honour to request therefore that these scholarships tenable for the graduate classes should be awarded not only to the B.O.L. (Pass or Honours) students but also to the B.A. (Hons) students of the Andhra and Annamalai Universities. I recommend further that

in view of the fact that a large number of graduates of the type are necessary, the required number will not be forthcoming at an early date unless special encouragement is given and the area to be covered is entire Madras Presidency the number of scholarships tenable in the graduate classes should be at least 30, 10 being awarded in each University. This will provide for the annual turning out of atleast 20 students in Tamil and 10 in Telugu under the scheme.

With reference to post copy of telephonic message
dated 15-7-1946, I have the honour to state that the number of
scholarships in the Intermediate classes may remain at 10 as
originally recommended. I may add that only in the Madras
University we have special courses in the Intermediate leading
directly to B.O.L. Hence we may be reasonably certain that
those for whom scholarships are awarded at this stage would
join B.O.L. The Andhra and Annamalai Universities do not
have corresponding courses.

In 1946-7 ten scholarships will be awarded in the Junior Intermediate and 10 scholarships in the first year of the B.O.L. class (Pass or Hons).

Scholarships - B.O.L. women students - Award to

The D.P.I. has introduced a scheme for the award of scholarships to women students taking up the language group in the intermediate course leading up to the B.O.L. degree ^{and} ~~as well as~~ ^{to} women students in the B.O.L. classes. The Director has explained the necessity for the scholarships. The proposal involves an expenditure of Rs 2,500 in the current year and Rs 6,500 ^{ultimately} ~~ultimately~~ in view of the importance given to the mother tongue in the scheme of education the proposal may be supported in this dept. The file may be sent to the Finance dept for remarks.

Finance (Expr-A) Dept.

The D.P.I. has proposed that 20 scholarships of the value of Rs 12 ^{p.m.} each/at the rate of 10 for each of the two Intermediate classes and 30 scholarships of the value of Rs 16 each p.m. at the rate of 10 for each of the three B.O.L. classes may be instituted by the Govt. for being awarded to the women students who take up the language group in the Intermediate classes ~~leading~~ ^{leading} up to the B.O.L. degree, the scholarships being tenable for a period of 9 months in a year. He has also stated that ~~to~~ ^{to} begin with 10 scholarships for the students in the Junior-Inter class and 10 scholarships for the students in the first year B.O.L. course may be sanctioned during the current year.

2. The proposal involves an extra expenditure of Rs 2,500 during the current year and Rs 6,500 p.a. ultimately as shown below:--

DR 2

C1

Recurring

	1946-47 Rs	Ultimate cost Rs
10 scholarships for each of the Intermediate classes at Rs 12 p.m. for 9 months in a year	1,080	2,160
10 scholarships for each of the B.O.L. classes and Rs 16 p.m. for 9 months in a year (Rs 16 x 10 x 9)	1,440	4,320
Total	2,520	6,480
or	2,500	6,500

The grounds urged in support of the proposal are that considerable difficulty is experienced in securing the services of women qualified pandits for employment in institutions intended for girls and that it is therefore necessary to institute scholarships for encouraging women to take up the language group in the Intermediate leading up to the B.O.L. degree.

3. The value of the scholarships and the number of months for which they are proposed to be granted are the same as for Government scholarships tenable in Arts Colleges. But it is submitted that the grant of the scholarships is not likely to be a sufficient incentive for more women students to take up the language group unless there are good prospects of employment on adequate scales of pay. This department may, however, suggest that to start with, that 6 scholarships may be granted, 3 for the Junior Intermediate course and 3 for the Senior B.O.L. course and that the position may be reviewed at the end of three years. The ultimate recurring cost will be Rs 1944/p.a.

4. Funds. The proposal should ordinarily be treated as a Part II scheme. The D.P.I. states that the proposal should be given effect to in the current year itself. It is submitted that the Colleges have already been opened and the classes commenced. The grant of the scholarships in the current year is not likely to alter the situation now. The institutions intended for the girls are already working with pandits. Hence there is no urgent necessity to introduce the scheme in the current year itself. E.P.H. may therefore be requested to bring forward the proposal as a Part II scheme for 1947-48.

A further letter was recd. from the D.P.I. in which he proposed some modifications to the scheme subd in his previous letter.
