D.O.No. 3734-B/4-3 Edn., dated 3-8-46.

Dear Mr. Rajamannar,

Standardisation of technical and scientific terms in languages of the Province.

I am desired to say that the Government appointed in G.O.No.1051 Edn., dated 8-6-1940 (copy enclosed), a Committee for the purpose of settling the general principles on which a uniform system of standardised technical and scientific terms could be introduced in the languages of the Province. The Committee submitted its report to Govt. in September 1940, and, with reference to the recommendations in para.10 of the Report, the Government appointed special committees for the different languages. The reports and technical terms drawn up by them will be considered by the joint committee of the special committees and a final report will then be submitted to Government.

This report has to be considered by the main committee (of which Rao Bahadur Dr. T.S. Tirumurti is now in place of Mr. R. R. R. S. Srin.) the chairman with a view to see how far its recommendations have been followed and for making such revision of the terms as may be considered necessary. 2) Copies of the relevant G.O.s are enclosed.

3. It has been suggested that you may be appointed as a member of the committee in the place of Sir C.R.Reddy, resigned. I am to enquire whether you are willing to serve on the Committee.

Yours sincerely,
