* Grant - Building - St. Joseph's Girls High School,
Dindigul - Construction of a first floor -
enhanced grant.

The scheme for the construction of a first floor on the existing building of St. Joseph's Girls' High School Dindigul was placed on the approved list at an estimated cost of Rs.13,200/-. The lowest tender for the execution of the work was Rs.19,479/-. When the management applied for grant based on the lowest tender, the Inspectress was requested to inform the Correspondent that the lowest tender may be accepted; but that the grant will be based only on the estimated cost of Rs.13,200/-. (2)

2. Government in their order No.Ms.602 Edn., dated 18-4-45, sanctioned a grant not exceeding one half of the actual cost of the building subject to a maximum of Rs.6,600/-. The scheme was complete in February 46 at an actual cost of Rs.19,479/-. But the management was paid only a grant of Rs.6,600/- as ordered in the G.O. read above during 1945-46.

3. The management has renewed its application for grant based on the lowest tender which is also the actual cost of completion of the scheme. The Executive Engineer, Periyar Division, Madura has stated that the tendered rates are reasonable. The Consulting Architect to whom the papers were referred to has recommended that the lowest tender amount of Rs.13,200/- may be taken as the correct amount for grant.

4. Between the dates of actual preparation of the estimates and the approval the market conditions in regard to the cost and the availability of materials and labour were seriously affected beyond the normal bounds on account of the climax of the war.

The management it is stated is not financially well off to meet the enhanced cost. I therefore request that Government may be pleased to increase the maximum grant of Rs. 6600/- sanctioned for this scheme in G.O. No. Ms. 602 Edn., dated 18-4-45 to Rs. 9759/- based on the lowest accepted tender and the recommendation of the Consulting Architect.

Order No. 1605 Edn. dated 19-8-1946.

(2)
In G.O. No. 602 Edn. dated 18.4.45, the Govt. sanctioned a half grant not exceeding Rs. 6,600/- towards the cost of construction of a first floor on the existing building of the St. Joseph's Girls' High School, Dindigul, based on the estimated cost of Rs. 13,200/-. As the actual cost of construction of the building accepting the lowest tender has amounted to Rs. 19,479/- due to increase in the cost of building materials and labour on account of the war and as the lowest tender rates are considered reasonable by the Consulting Architect

4. Between the dates of actual preparation of the estimates and the approval the market conditions in regard to the cost and the availability of materials and labour were seriously affected beyond the normal bounds on account of the climax of the war.
