4. With reference to G.O.No.Ms.1612 Edn. & P.H. dated 9th July 1938, it is necessary to include the names of those manufacturers in the approved list prior to placing order with them.

5. I recommend that the names of the Bharat Carbon & Ribbon Manufacturing Company and Messrs. S. Viswanathan & Company be included in the list of approved manufacturers of this ink and I request that I may be authorised to obtain my requirements for 1946-47 from S. Viswanathan & Company, Madras. As my stock of this kind of ink is nil I am ordering the quantity of ink required for the current year from S. Viswanathan & Company, Madras at Rs.1-4-0 per bottle in anticipation of approval of Government. The rate quoted by Bharat Carbon & Ribbon Manufacturing Company is also the same. But the supply is to come from Calcutta which may curtail difficulties in the matter of transport.
