R.O. No. 55-D7/45-46 dated 20th December 1945.

Sir,

Grant-Teaching-Sanskrit and other special schools-taking
into account the contribution by local bodies-orders
requested.

58385

With reference to the orders contained in G.O.No.2013 L & M.
dated 22.7.1934, it has been the practice hitherto to restrict
the grants to Sanskrit schools after taking into account any
contribution it might have received from a local body i.e. the
local body's contribution is deducted from the half net cost
to the management and only the balance is paid in the shape of
teaching grants from provincial funds.

2. In G.O.No.Ms.1800-Education dated 5.11.1945 Government
have ordered that the contributions received from local bodies
towards the maintenance of the Adi Andhra Boarding Home,
Ramachandrapuram need not be deducted from the grant payable,
as the management will normally depend upon contributions and
donations to make up its share of the boarding charges.

and which have no receipts by way of tuition fees have also to depend mainly upon contributions and donations to make up their share of the maintenance charges. I have the honour therefore to request that Government may be pleased to inform me whether the concession shown in G.O.No.Ms.1800-Education dated 5.11.1945 in respect of orphanages may be extended to Sanskrit and other special schools which do not levy any tuition fees.

ORDER/MS.No. 162 Edn., dated 23--1--1946.

22/1/46

The D.P.I. is informed that the Govt., do not consider it necessary to apply to Sanskrit and other schools, the principle laid down in G.O.No.1800. Edn., dated 5-11-1945, that contributions received from local bodies towards the maintenance of orphanages should not be deducted from the Govt. grant payable for the purpose.

GRANT - Teaching - Sanskrit and other special schools - Taking into account the contribution by local bodies.

From the Director of Public Instruction, R.O.P.No.53-D7/45-46 dated the 20th December 1945.

In G.O.No. 2013 L & M dated the 22nd July 1924, the Government permitted the local bodies to contribute towards the maintenance of educational institutions which are receiving grants from provincial funds subject to the following conditions:-

(1) the institution should either be a Sanskrit School or a special school for defectives which obtains pupils from all over the presidency,

(2) the contribution by the local body together with the Government grant should not exceed one half of the net cost of the institution.

Till now the grants to the Sanskrit Schools have been paid in the same manner as above.

2. ~~The Government in their proceedings~~ In G.O. No. 1800 Edn., dated the 5th November 1945^{the Govt} ordered that contributions received from local bodies towards the maintenance of the Adi Andhra Boarding Home, Ramachandrapuram, need not be deducted from the grant payable by Government as the institution will normally have to depend upon donations and contributions to make its share of the ^{Boarding charges} cost and unless it has a sufficient funded capital for the purpose.

that Sanskrit Schools and other special schools which are recognised by Government under Chapter IV of the Madras Educational Rules, have no receipts by way of tuition fees and they will also have to depend mainly upon contributions and donations to make up their share of their maintenance charges. He ^{enquires} ~~requests~~ the Government to inform him whether the concession ^{allowed} ~~given~~ in G.O. 1800 Edn., dated the 5th November 1945, ^{to} ~~towards~~ the Adi Andhra Boarding Home, Ramachandrapuram, may be extended to Sanskrit Schools and other special schools of the kind referred to above.

4. In the circumstances stated by the D.P.I., it would seem that contributions received by the managements of Sanskrit & other special schools from local bodies should not be taken into account in fixing the amount of govt grant payable towards the net cost of maintenance of those institutions. The concession is specially necessary in the case of Sanskrit institutions as the total allotment for grant is a fixed one & the amount of grant paid out of the fixed allotment never approximates to half the net cost. The D.P.I. may perhaps be asked to furnish a statement showing the names of Sanskrit & special schools which are in receipt of contributions from local bodies, the net cost of maintenance of those institutions in 1943-44 and the amount of govt grant paid towards the cost of maintenance of the institutions. If so, the draft ^{memo} ~~letter~~ below is for approval.
