To

Sir,

The Director of Industries and Commerce, Madras.

The Secretary to Government, Education & Public Health Department, Madras.

Sub: Stationery and common forms - Supply to the Special Officer for the development of cottage industries, in Ceded Districts, Cuddappah and to the Ceramic Superintendent, School of Arts and Crafts, Madras -

Ref: 1. G.O.Ms.No.660 Development dated 28-4-1943 -
2. G.O.Ms.No.2634 Development dated 6-7-1945 -

In the G.Os. cited, Government have sanctioned the posts of Special Officer for the development of Cottage Industries in the Ceded Districts, Cuddappah and the Ceramic Superintendent, School of Arts and Crafts, Madras. Hitherto the requirements of stationery of those officers were being met from this office. Since the appointment of the Special Officer, three pottery training centres have been opened in the Ceded Districts and the sanction for some more centres is under the consideration of the Government. These centres are under the supervision and guidance of the Special Officer. The Ceramic Superintendent is in charge of the Ceramic Training School at Madras and has to supply the requirements of the demonstrator in charge of the two demonstration centres and of the Supervisor of a pottery training centre. Neither the Special Officer nor the Ceramic Superintendent is able to meet the demands from the subordinates under them from his stock and consequently they send their requisitions in this regard to this office. Sometimes stationery and forms had to be sent from this office incurring unnecessary postage. In order to obviate these difficulties, I request that Government may be pleased to declare the offices of the above two officers as two separate indenting units and to order the free supply of stationery and forms required by them direct to them. They will submit their indents through the Ceramic Expert for countersignature to Government.
