Sir,
Subj: Health Unit - Peenamallee. Typewriter for this office - Supply of
Sanction requested.

In G.O. No. Ms. 2896 P.H. dated 8.11.45 the post of a clerk on 30-55 with Typists qualification has been sanctioned for the Reorganised Health Unit, Peenamallee. The Health Officer, Health Unit, Peenamallee states that a typewriter is quite necessary for his office and requests its supply. The typewriter previously supplied to the former Health Unit was returned to the Superintendent of Stationery, Madras consequent on the closing of that Unit, in pursuance of G.O. No. 3032 (MS) P.H. dated 22.11.45.

I consider that this Health Officer's office requires a typewriter and therefore request that Government may be pleased to accord sanction to the supply of a typewriter for the use of the Reorganised Health Unit, Peenamallee.

I am directed to bring to your notice the desirability of ordering an inspection of the Temple car of Tiruvartur by an expert Engineer to see whether, with the help of modern engineering knowledge, the structure of the car might not be redesigned, so as to reduce much of its present weight without in any way diminishing its size and grandeur. The car is now heavy and unwieldy and great trouble is experienced in dragging it along the streets during the car festival. It is suggested that alterations, if considered desirable, might be carried out before the festival in 1940.
