D.O.

DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS, DATED 18TH JUNE, 1946.

32663

Dear Mr. Viswanatha Ayyar,

IN their Order No. 811 dated 15th April 1946 the Government, in the Education Department, have sanctioned the opening from the academic year 1946-47 of B.A. (Geography and Mathematics) and B. Com. courses in the Government Arts College, Coimbatore. With effect from the same date four posts of Lecturers in the Madras Educational Service (1 English, 1 Geography, 1 Mathematics and 1 B. Com.) have been sanctioned and steps are being taken up to fill up these vacancies.

2. The Honourable Minister for Education had desired that subjects under Group III of the Intermediate course in the Government College, Coimbatore should be taught through the medium of Tamil--vide copy of his Note dated 11th June 1946 enclosed. When I interviewed him later he also suggested that it is desirable to post as Principal of the College a Lecturer whose mother-tongue is Tamil as such an Officer alone would be able to judge correctly the results of the new experiment. In this connection the claims of the following Officers in Class III of the Madras Educational Service whose mother-tongue is Tamil have to be considered. The names are arranged in the order of seniority.

Of these, it is not possible to spare Dr. S.G. Manavala Ramanuja and Sri K. Swaminathan as their services are required for Honours work in the Presidency College, Madras. Sri T.M. Margasahayam Chettiar has declined to accept the Principalship of any College. The choice is therefore restricted to Nos. (1) and (5), viz., Sri D. Namasivayam and Sri A. Ramanatha Pillai. They cannot, however, hold any of the 4 new posts in the Madras Educational Service sanctioned for the College as the former is a Lecturer in Chemistry and the latter a Lecturer in Zoology in which subj

Copy of the Note dated 11th June 1946 from the Hon'ble Minister for Education, Madras.

D.P.I.

I hope you have issued orders for making the Government College in Coimbatore as a First Grade ~~College~~. It is necessary that orders should be issued immediately as per my instructions to you on the phone, as applications will have to be invited very soon. I had instructed the Principal of the Coimbatore College to begin teaching the third group subjects in the Intermediate classes through the medium of Tamil. I hope he would have applied to you for the permission by now. Along with giving him that permission I would like you to give him such staff as may be necessary for him to do this. You will kindly report to me as to what has been done in this matter.

Although the confidential record of Rao Sahib Dr. S.G. Manavalaramanujam and Sri K. Sri T.M Margasahayam Chettiar ha stated that he would prefer a posting to Madras or Sadapet (at present) to eve a Principalship of the Rajahmundry or Coimbatore College. Copy of D.O. dated 9-9-46 from Sri. A. Ramanatha Pillai, Principal, Government College, Coimbatore to Khan Bahadur Muhammad Sahib Bahadur, Deputy Director of Public Instruction, Madras.

Dear Khan Bhahadur Moulvi Muhammad Sahib Bahadur,

Your D.O. dated 5-9-46 reached me only yesterday - 8-9-46 and I hasten to furnish the information required seriatim:

(a) Ever since I took charge in this college I have assigned to myself two lecture hours and one practical of two hours duration per week. For the last two months I have taken in all twelve lectures - eight for the Senior Intermediate and four for the Junior - and two practical classes of two hours duration - one for junior and one for senior. As the Junior and Senior classes are divided into 3 batches each I have taken so far 2 X 2 X 2 X 3 - 24 hours in all.

(b) The number of periods of work assigned to me last year was the same as this year.

First term: Due to pressure of admissions, interviews and administrative work at the beginning of the Academic Year it was not possible for me to take my classes till about the first week of July. During July, August and first week of September, roughly there were 8 weeks excluding the week of Victory Holidays etc., and I should have taken 16 lecture classes and 16 Practical classes. Of these I took 13 Lecture classes - (6 for Junior and 7 for Senior) and four Practical classes (2 for Junior and 2 for Senior) giving a total of 24 hours of Practical work.

Second term: October to December 1945: For the ten weeks during this term I should have taken 20 hours of lecture and 20 hours of Practical. Of the 20 hours of lecture I took 12 hours and allowed the Assistant Lecturer to take the rest. But instead of 20 hours of Practical I took 30 hours because I thought I would be doing a more useful thing by way of Practical.

Third term - January to March: For the nine weeks in this term I should have taken 18 hours of lecture and 18 hours of Practical. During this term the senior class had to do a good bit of Botany and I had to give up my lecture hours to the Assistant Lecturer in Natural Science for getting through his portions. As for the Junior class I permitted the Demonstrator to dictate some notes on some important portions that were done in the Practical classes. Instead of 18 hours of practical I took 24 hours.

These changes worked very well as would be seen from the satisfactory results obtained last March. Out of 46 students ----sent up 30 passed with 3 First classes in Group II giving a percentage of 67 % which marks the highest percentage for some years past in this College.

(c) There is no attendance register maintained in this college. I believe it is the same in other colleges for the M.E.S. members of the staff. I must confess that I have not been keeping regular hours of attendance in the strict sense of the term. Usually I attend college between 11 and 5, but on days when I have lecturing work in the first period I go to the college by 10-15 or 10-20. On many days I had stayed after 5 and on some days I would have gone to the college by 11-30 or even 11-45 but on no occasion I had gone to the college after 12 Noon. Invariably I had been taking my lunch in the College.

P.T.O.

The irregularity is mainly due to my visits to the Government College High School which is situated some 5 or 6 furlongs away from the College. I used to pay visits at the rate of one or two per week and some days I will straight go to the High School at 10-40 or so and then go to the College and on other days I might go to the High School during an Afternoon and from there return home. In addition to these visits as the Head of the institution I had to see some officials and non-officials on matters connected with the College and thus I would have absented myself from the College during such times. In the midst of all these I never allowed the college or public interests to suffer.

I have not so far kept any record or diary to show the details of my work [illegible] the High School has been taken away I have begun to keep a diary from the 1st of August which would show every bit of my work etc. I am sorry to have troubled you with such a long catalogue of events. Had it not been for the administrative nature of the work I should have been very glad to keep strict hours of attendance - 10-30 to 4-30.

Yours sincerely,

(sd) A. Ramanathan.

Edn. ~~H~~ AND P.H. DEPARTMENT (U)

From the D.P.I., D.O., dated 18th June 1946.

Appointment of Principal of the Coimbatore Arts College.

The Government Arts College, Coimbatore, has been raised to the I Grade with effect from the academic year 1946-47, B.A.(geography and mathematics) and B.Com. courses having been opened. H.M.(Edn.) has instructed the Principal of the College to begin teaching the subjects in Gr.III of the Intermediate through the medium of Tamil.

2. The Director reports that H.M. suggested to him that it is desirable to post as Principal of the college a Lecturer whose mother-tongue is Tamil, as such an officer alone would be able to judge correctly the results of the new experiment. The Dir. has therefore discussed the names of five officers in the collegiate section of the M.E.S. whose language is Tamil and who can be appointed as Principals of I Grade colleges. Of the five officers mentioned, Nos. 1, 2 and 5 are not qualified to teach any one of the subjects (Engl., Geogr., Math., or B.Com) in which the college has been affiliated for a degree course; No. 3 is not willing. For orders whether the Director's proposal that Sri K. Swaminathan, Additional Professor of English, Presidency College, (No.4) cannot be spared for the Principalship, may be accepted. The Director reports that ~~the appointment of~~ either Sri Namasivayam, Vice-Principal of the Saidapet Teachers' College, or Sri A.Ramanatha Pillai, the present Principal of the Coimbatore college may be considered for appointment as Principal of the I Grade college. But in view of "Q" above the Director suggests the creation of a supernumerary post of Principal on a scale of pay of Rs.200-700, plus a duty allowance of Rs.50/-, per mensem. The Principal of a I Grade college is also the Senior Lecturer in the subject in which he is qualified. If the Director's proposal is accepted and if either of these officers is appointed, another M.E.S. officer should be appointed to teach the subject which should otherwise be taught by the Principal. The additional expenditure involved on this will be about Rs.5,100/-. This expenditure can, however, be avoided if any of the officers wh

Special mention may be made, in this connection of ri B.M.Thirunaranan in consideration of the fact that Coimbatore is he only Men's Arts College wherein a Geography course in B.A. has een introduced. Under university regulations, an officer possessing I or II class degree in Geography will be required to teach the ubject if available. The other officers in the department in the ubject unit possess only the diploma of the University.

3. It may be noted in this connection that if any one of the above junior members ~~are~~ is selected for the post on the ground that his nguage is Tamil, it may cause hardship to senior officers whose language y not be Tamil. The posts of Principals are 'selection posts' and ppointments to them are made on merit and ability, seniority being nsidered only where merit and ability are approximately equal. However, on grounds of administrative exigencies and economy, it may be cessary in exceptional cases, to resort to the procedure at "N" above. is for orders whether the Director may be asked to select any of the nior ~~xxxx~~ officers mentioned above.

the pay of the posts of lecturers and Principals I and II grade is the same but principals of I grade colleges are paid a duty allowance Rs 50 p.m. in addition.

(1K) 3/ E.3 2)

By requiring an officer whose mother tongue is Tamil, and also trying to get a man who can teach one of the subjects for which the college is affiliated, we are doubly narrowing the field of selection and I am afraid we will be creating a bad precedent, not to mention the injustice that will be ~~[illegible]~~ caused to senior candidates. We might find the Andhras asking for a Telugu for Rajahmundry, and the Malayalees for a Keralite for Tellicherry, and the Karnatakas asking for a Kannadiga for Mangalore; ~~[illegible]~~

We should not overlook seniority unless the senior candidate is lacking in qualifications for the selection post, and the junior is of outstanding merit. ~~Of~~ Administrative circumstances ~~[illegible]~~ should not decide promotion ~~[illegible]~~ to selection posts.

We should not be afraid of sanctioning a supernumerary post if necessary, at a cost of Rs 5700/- if ~~[illegible]~~ ordinary principles of administration require it.

Sri ~~[illegible]~~ S. Narasimhayar No 10 in the list, is the senior most, and is also a Tamilian, and is officiating as Vice Principal of the Saidapet college. He may be appointed as principal.

(Issued as D.O. No. 32663-A-2-Edn. dated 27-7-46.)

C.42764. From the D.P.I., Cl.No.37/46, dated 1-8-46. p3 CF pp.5-7 CF

The D.P.I. recommends that Sri A. Ramanatha Pillai, now Principal of the Govt. College, Coimbatore (II Grade), may be appointed as Principal of the same College (I Grade). It is for orders whether, for the reasons stated in the Dir.'s recommendation roll, this proposal will be accepted.

The posts in the M.E.S. sanctioned for the College are in English, Mathematics, Geography and Commerce. As ordinarily the Principals of all I Grade colleges are also Senior Lecturers in the subjects in which they are qualified, Sri Ramanatha Pillai, if appointed, should take one of the subjects taught in the college. As his subject is, however, Zoology and as Zoology is not one of the subjects taught in the college, all the M.E.S. posts in the several subjects should continue to remain; he can however be appointed as Principal, a supernumerary post of Principal being created for the purpose. Fin. Dept. and H.P.M. have agreed to the creation of such a post.

Finance have agreed to the proposal of the Dept. to create a supernumerary post ~~because~~ it was proposed to appoint the seniormost candidate, who is also a Tamilian non-Brahmin. If it comes to a question of overlooking seniority, not on grounds of efficiency, but on the considerations set out by the D.P.I at A on P7, viz that he has local knowledge and that he has been responsible for the arrangements for raising the status of the college, Finance will have to see again. We might as well go further down the list and choose No 22, who teaches English, or No's 23 ~~[illegible]~~, 31, & 32 in the list as set out on P2 ante, and save the expense of appointing a supernumerary.

B

The reasons given by the D.P.I for preferring Ramanatha Pillai to Mr D. Namasivayam are not sound either from the service point of view, and in such circumstances, Finance will be entitled to ask why we should not overlook seniority in the case of Ramanatha Pillai also, and appoint a junior qualified to teach one of the subjects in the college, avoiding the creation of a supernumerary post. Finance should see again before circulation.

Finance E3

(Previous Fin. note in pp 3-4 above)

In their previous notes on pp 1-3 above E&PH explained the need for the creation of a supernumerary post in the I.E.S. in order to provide for a Principal of the I Grade Arts college, Coimbatore when it was considered not possible for him to teach any of the subjects for which the college was affiliated. E&PH preferred ~~Sri~~ Mr D Namasivayam being senior while D.P.I ~~has~~ is now recommending Sri A Ramanatham Pillai a junior though he had at first no objection to either of them being appointed. E&PH Secretary considers it not proper to overlook seniority & offer the post to Sri A Ramanatham Pillai a junior. In ~~both~~ either case there is the need for a supernumerary post and this dept. may suggest that there are no reasons why seniority should be overlooked ~~merely because~~ the junior happened to have local knowledge. In fact as pointed out by E&PH at B on p 5 above it is quite possible to avoid the creation of a supernumerary post but it may not then be possible to appoint

fairly a senior man. In the circumstances this dept. may suggest to E&PH to ~~act strictly~~ follow the rules of seniority and appoint Sri D. Namasivayam (No. 10 in the list) instead of Sri A Ramanatha Pillai (No 18 in the list). Orders may again be taken (including H.M.) in circulation on this point.

See below
6/8

This dept. agreed to the proposal to incur extra expr. on the creation of a supernumerary post, because E&PH Dept considered that the seniormost man should be appointed. It is for E&PH to decide who the most suitable man is. If the [illegible] is not qualified in one of the subjects English, Geography, Maths or B.Com, then a supernumerary post will have to be created. In the interests of economy, this dept. wants to suggest that if the seniormost man is not to be appointed and all other factors which are generally considered in making such appointments are more or less equal, then a person qualified in one of the subjects mentioned above may be selected.

The proposal in this file is to appoint a Principal for the I Grade Arts College, Coimbatore. The seniormost person, who is qualified, considered suitable and is available for appt., is Sri D.Namasivayam (No.10 in the Estt. List put up). The D.P.I. has, however, recommended Sri A.Ramanatha Pillai (No.18 in the List), for the reason mentioned at "A", p.7 C.F. The views of this Dept. and those of Fin. are at pp.5-7 ~~of~~ above. In submitting herewith copies of letter Rc. 9.65.48 dated 4.3.1951 from the Principal, Government Arts College, Coimbatore and the remarks of the Accountant-General, thereon, I request that Government may be pleased to permit Sri A. Yours faithfully,

1/4 For Director of Public Instruction

Copy to the Accountant-General,

GRD.16.4.

Copy of letter Rc. 9.65.48 dated 4.3.1951 from the Principal, Government Arts College, Coimbatore to the Director of Public Instruction, Madras.

The scale of pay of the post of Principal of this college which I have been holding was modified, in Government Memo. No. 58437-A.2 Education and Public Health, dated 24.10.46 communicated in Proceedings Dis.No. 5062.C.1/46 dated 30.10.46, from Rs. 200-30/2-260-40/2-500-50/2-700 into Rs. 250-25-500-EB 50-800. In G.O.No. Ms. 403 Finance, dated 4-4-1950 communicated in Proceedings Rc. 711.C.1/50 dated 25.7.50, Government sanctioned my re-employment for a period of one year from the date of retirement, in the same post.

2. The Accountant-General, Madras has stated, in the pay slip No. GIV Edn. I-799, dated 8.2.51 that, under para (vi) of G.O.No. 457 Finance, dated 8.5.48, the Dearness allowance during re-employment has to be based on the maximum of the scale applicable to the post, i.e. Rs. 700 plus Rs. 50/- and that the dearness allowance has therefore been revised to Rs. 85/-. As I have been allowed to draw Rs. 800/- (plus special pay of Rs. 50/-), the pay I had been drawing till the date of retirement and in view of the maximum pay of the post having been fixed at Rs. 800/- in the Government Memo mentioned above, it appears to be reasonable that the Dearness allowance of Rs. 100/- calculated on the pay of Rs. 800/- plus Rs. 50/- is permitted to be drawn by me. I request, therefore that early orders may kindly be passed to enable me to draw the Dearness Allowance at Rs. 100/-.
