Subject

Public Services – Provincial Services – Posts of Asst Supdt of Staty and Stamps and Asst Supdt Govt Press – Recruitment of war-returned personnel.

The posts of Asst Supdt of Staty and Stamps and Asst Supdt Govt Press are reserved for war-returned persons. The Commission propose to hold during the period from 2-10-46 to 10.10.46 a competitive examination comprising an oral test in the shape of an interview for the purpose of recruiting candidates for the posts. Under Rule 3(2) of the Madras Public Service Commission, Rules of Procedure, the Commission shall invite the head of the department concerned to be present or to appoint a representative to be present at the interview and the head of the department or his representative so present may take part in the deliberations of the Commission but shall not be entitled to award marks. With refs this rule, the Commission is asking for a representative at the interview to be held by it.

2. The qualifications prescribed for the posts are as follows:–

Designation of post	Category	Qualifications
Asst Supdt Govt Press	3	(i) Qualifications as a Printer with practical experience in printing work, (ii) Knowledge of the costing system of accounts, (iii) If appointment is to be made as Asst Supdt by direct recruitment, the candidate must not have completed 30 yrs of age on the 1st day of July of the year in which selection is made but this limit shall not apply to a person employed in the Govt Press, Madras
Asst Supdt of Staty and Stamps (for direct recruitment)	4	(i) Must not have completed 35 yrs of age on the 1st day of July of the year in which selection is made, (ii) An intimate knowledge of the paper trade and wholesale stationery

p89-BK113

The post of Asst Supdt, Govt Press, requires the possession of technical qualifications and the S.G.P is the only person that will be able to assist the Commission in conducting the competitive examination. Hence the S.G.P may be nominated as a representative to be present at the competitive examination for the selection of a candidate for the post of Asst Supdt. Govt Press.

The qualifications for the post of Asst Supdt of Staty and Stamps cannot be termed as 'technical'. In 1942 the Commission was requested to select a successor to Mr. Duncan the Asst Supdt of Staty. The S.G.P. was nominated as a representative to be present at the selection of a candidate by the Commission. On the same analogy, the S.G.P. may now be nominated as a representative to be present at the competitive examination for the selection of a candidate for the post of Asst Supdt of Staty and Stamps

I think it will be better if the D.S. personally attends. The S.G.P is not directly connected with Stationery, and I do not think any technical knowledge is necessary on the part of the representative. On the contrary he must have no professional interest in the selection. The Commission does not need 'assessors'.

A draft letter to the Commission is submitted. It is presumed that the D.S. is to be present for the selection to the post of Asst Supdt Govt Press also and not the S.G.P as suggested in the note

Recruitment (Direct) - War Service Personnel - Provincia
Services - Reserved vacancies - Your letter No.1660,
Education, dated 27-8-1946.

With reference to your letter cited, I am to say that for the posts of Assistant Superintendent of Stationery and Stamps and Assistant Superintendent, Government Press, the Commission has in many cases admitted the applications of candidates provisionally subject to their technical qualifications being further tested at the oral examination, with the aid of the Head of the department or his representative. The test will be with a view to determining whether the applicants possess an intimate knowledge of the paper trade and wholesale stationery and/or a qualification as a printer with practical experience in printing work and knowledge of the costing system of accounts. The Commission would be glad if for this purpose the Superintendent, Government Press, could also be present at the oral examination.

Your obedient servant,

Secretary.
