ENCLOSURES _____

SPARE COPIES _____

I have the honour to request that Government may be pleased to sanction the continuance of an additional section in Form I and in each of the classes IV and V with the 3 posts of Secondary grade teachers for the sections in the Government Muhammadan High school, Vellore for a further period of two years from July 1946. The strength in classes IV and V and Form I justify the continuance of an additional section in each of them.

2. Owing to great rush of students for admission in Form II the opening of an additional section was found necessary. I therefore permitted the opening of an additional section in Form II and sanctioned the employment of a Secondary grade teacher therefor on a fixed pay of Rs 30/- during the year 1944-45 and again -- permitted its continuance during 1945-46. The present strength of Form II is 62 and there is a definite need for the continuance of an additional section in the Form. I therefore request that Government may be pleased to sanction the continuance of an additional section in Form II and the post of a Secondary grade teacher therefor for a further period of two years from the current school year.

For Director of Public Instruction.
