Sir,
SUBJECT: Presidency College, Madras - Additional
Staff for History Department - Proposals
submitted.

The present staff of the History Department of the Presidency College consists of 2 Professors and 3 Assistant Professors. The total number of hours of work for the different classes according to the existing timetable is 68 and some of the classes are combined for lectures on some subjects. The University has definitely disallowed the combination of Pass and Honours classes. This will entail additional 4 hours work for the History Department. Further the Department is indenting upon the services of the University Reader in Politics and Public Administration for 3 hours instruction in Political Theory for the Politics Honours classes. With large classes in the Intermediate it has not been possible to do any tutorial work with them. It is also very desirable that combined instruction in 'Federalism' for IV Honours and V Honours which

which is given at present for want of adequate staff should be given up in the interest of efficiency. To remedy the defects pointed out above the Principal requests the sanction of an additional Assistant Professor in History for the college. In the circumstances stated above I have the honour to request that Government may be pleased to sanction an additional Assistant Professor for the History Department of the Presidency College, Madras. The cost in 1946-47 will be Rs.700/- at Rs.100/- p.m. This can be provided from the Budget estimate for the current year.
