Royal Indian Navy-Grant of Scholarship to provide training of recuits for the R.I.N.

pp.5-6 infra

I am directed to forward, for information, a copy of the Bombay Government Resolution No.7574 dated the 4th May 1943 on the subject mentioned above and to say that, in view of the desirability of extending recruitment to boys who otherwise would not have the opportunity to attain the standard of education normally required for entry to the R.I.N., the Government of India attach great importance to the Scheme adopted by the Government of Bombay which provides for the preliminary educational training of boys desirous of entering the Boys' Training Establishments of the Royal Indian Navy. I am to request that if the Provincial Government have no objection the desirability of adopting a scheme similar to the Bombay Scheme may be considered in respect of your province and the Government of India informed of the action taken in due course. The War Department would be glad to furnish any information that the Provincial Government may require in this connection and that Department may be addressed direct in the matter.

2. I am to request that this Department may be furnished with 8 spare copies of any scheme the Provincial Government may adopt.

3. I am to add that the [redacted] expenditure should be met from Provincial Revenues.

Under the existing arrangements boys of the IV Form Standard are recruited to the Training Establishment, H.M.I.S. "Dilawar" between the ages of 15 and 16½ years, as Boys I Class. After six months service in H.M.I.S."Dilawar", where training consists mainly of school work (concentrating on English, Mathematics and Roman Urdu, Indian and Naval History and Geography) and Physical Training, Boys will carry out a further course of one year's duration in H.M.I.S. "Bahadur" and then proceed to sea.

2. Boys receive Rs.15/- p.m. on entry. After leaving H.M.I.S."Bahadur" and proceeding to sea they receive Rs.25/- p.m. as sea-going boys.

3. The Bombay scheme awards scholarships to candidates selected by the Assistant Director of Recruiting, Southern Area, for admission to "Dilawar" or "Bahadur" and these scholarships are tenable at three centres, viz., Dapoli, Sangameshwar and Ratnagiri. Before a similar scheme is adopted by the Madras Government it is desirable to know from the Bombay Government whether the three centres referred to by them are special types of schools and if so whether other governments may depute boys to those schools or, if not, whether similar schools have to be opened by other Governments in their respective Provinces. The Bombay Government may, therefore, be requested to give detailed particulars of their schemes to enable the Madras Government to introduce a similar scheme in this Province.

The letters on pages 3-25 c.f. contain two requests:-

(1) The Principal, Y.M C.A.College of Physical Education, requests that an increased grant may be sanctioned to the College for ~~xx~~ the reasons given in his letter on pages 1-7 c.f.

pp 23-25 CF

(2) The Y.M.C.A. College Council requests that clause (1) of para 2 relating to the conditions of alienation of the land assigned to the Y.M.C.A. in G.O.No.2578 Revenue dated 5-12-31 may be so modified as to permit the use of the land for the purpose of training 'Youth Leaders.'

The D.P.I. supports both the requests, vide his u.o. note on pages 1-2 ante. As suggested by him, the Director may be permitted to make provision in his annual proposals for grants-in-aid, commencing from 1946-47 for a grant to the Y.M.C.A. Royal Indian Navy - Educational facilities.

...

With reference to G.M., E.D., No.7574/5902-E of 10th August, 1945, on the subject noted above, I have the honour to say that what has been provided in this Province is not Special schools for prospective candidates for the Navy as presumed by the Director of Public Instruction, Madras. Hostels have been provided at 7 places in the Ratnagiri District for sons of personnel of all the fighting services and the Mercantile Marine, and at 3 of these Hostels viz. - those at Sangmeshwar, Dapoli and Ratnagiri - Government have provided special facilities for eligible recruits to the Royal Indian Navy. Twenty sets of scholarships each of Rs.10/- p.m. have been provided for those boys whose parents undertake to send them for training to 'Dilawar' or 'Bahadur'. These boys learn in the ordinary local Anglo-Vernacular schools (Secondary - Standards I-III) through the regional language of the District. In order, however, to bring them upto the level required for admission to 'Dilawar' or 'Bahadur', special coaches were proposed to be engaged to train them according to a syllabus to be designed so as to supplement their regular instruction in the local schools. The scheme has, however, not proved a success so far, as no scholarship has so far been awarded. The reason, it is reported, is the unwillingness of parents to give the necessary undertaking to send their boys to the Dilawar. In any case, as the boys for whom the scheme is meant are to be below the age of 14 or so, the medium of instruction will necessarily be the regional language, which is Marathi. It will, therefore, not be possible for children from other Provinces to be admitted to these hostels unless they speak or understand Marathi as well. If approved the Government of Madras may be informed accordingly.

Sir,

I am directed to refer to your letter No.53613-C-1/44-12-Edn, dated the 6th March 1946 on the subject mentioned above and to say that prospective recruits for the Royal Indian Navy Boys Training Establishment write their answers to the Entrance Examination questions in either the English language or Hindustani (Persian or Nagri script). The medium of instruction in the Training Establishment of the Royal Indian Navy is English or Hindustani. A knowledge of both English and Hindustani is not necessary, but the Entrance Test ensures that boys who have passed it are capable of absorbing instruction in Naval and Educational subjects, the medium of instruction being either English or Hindustani.

In November 1944 the Government of India forwarded to this Government a copy of the Bombay Government's Resolution No.7574, dated 4th May 1943, relating to a scheme for the grant of scholarships, to prepare eligible boys for recruitment to the Royal Indian Navy. They also desired that a similar scheme should be adopted by this Government in view of the desirability of extending recruitment to boys who otherwise would not have the opportunity to attain the standard of education normally required for entry to the Royal Indian Navy.

2. The proposal was referred to the D.P.I., for his remarks. The Director wanted certain details of the scheme in question - vide 'A' on page 9 c.f. The Bombay Government was accordingly addressed. In their letter No. 7574-F, dated 17th Oct.1945, that Government have forwarded a copy of the letter from the D.P.I., Bombay, giving particulars relating to the Bombay Scheme. It will be seen that the scheme has not proved a success so far. In view of the language difficulty it may not be possible to admit children from other provinces to the hostels set up by the Government of Bombay. In the circumstances, it is for consideration whether the D.P.I. should be further consulted in the matter or whether the Government of India may be informed that this Government does not consider it feasible to adopt a similar scheme.

C. No: 35526. ~~From~~ the Govt of India No: 15-2/45.R d 28.6.46.

The notes from page 1 ante may be read. The file relates to a scheme for the grant of scholarships to prepare eligible boys for recruitment to the Royal Indian Navy. A similar scheme ~~[illegible]~~ has been sanctioned by the Govt of Bombay. Particulars of the Bombay scheme will be found on pages 16 cf. It is stated that the Bombay scheme has not proved a success. The reason, it is reported, is the unwillingness of parents to give the necessary undertaking to send their boys to the training ship. The previous Secretary was of the view that we need not assume that the scheme will not be a success here, ~~and~~ that we may try the scheme in hostels of our own ~~[illegible]~~ in this Presidency with a view to ~~the~~ boys being admitted to the training ship and that the D.P.I may be asked to submit a full report. It was at first thought that the language difficulty might stand in the way of Madras boys getting admission into the training ship. The Govt of India

p 1 ante

have stated that the medium of instruction in the training ship is English or Hindustani. So the language difficulty does not arise.

p 26 c/f

The prospects of a candidate after leaving the training ship are given in para 2 of the D. P. I's letter on page 9 c/f. It cannot be said that they are very ~~promising~~ bright. When the scheme is not a success in Bombay itself it is problematical whether it will be a success in Madras.

special educational facilities for the training of boys to make them fit for recruitment to the R.I.N. are on pp. 5-6 c/f. The Scheme was sanctioned by the Govt. of Bombay in May 1943 during the period of war when there was presumably a dearth of boys of the required type for recruitment to the R.I.N. viz boys of the Standard of IV form and above between the ages of 15 & 16½ years. Now that the war is over and that the demobilised personnel are recruited to the Civil posts in preference to candidates who have no such war service, boys between the ages of 15 and 16½ years who have passed the Matriculation ~~class~~ or the S.S.L.C. class will be available for recruitment to the R.I.N in ~~large~~ adequate numbers. There does not seem to be any need to ~~offer~~ provide for any special incentive to the boys to offer themselves for recruitment to the R.I.N. Further ~~the~~ it is reported that the Scheme sanctioned by the Govt. of Bombay has not proved a success so far, as the parents are not willing to give the necessary undertaking to send their boys for ~~a~~ undergoing training in R.I.N. later.
