I request that sanction may kindly be accorded for the supply of water proof clothing (four Rain Coats and four Caps) by the Superintendent of Stationery, Madras, to the peons and drivers of this Office as they find it difficult to go out on errands during the rainy season without water proof clothing.

ENDORSEMENT No. B-5-5038/45, DATED 5-12-1945.

The peons who go out on errands either by foot or by cycle are more exposed to the rains during rainy season than the drivers who are expected to be in their vehicles which are covered at the top. The claim for water-proof clothing to each of the peons -- seems reasonable. Sanction may therefore be accorded for the supply of a Waterproof cape (Coat without sleeves) and a Waterproof turban cover by this department to each peon and the period of wear may be fixed as three years. The officer concerned may be requested to intimate to this department the number of peons for whom they are required.
