Copy of letter dated 1st April 1946 from the Correspondent
Stanley European High School, Coonoor to the Inspectress
of European Schools, Madras.

With further reference to your Rec.No.1266/45 dated 21st April 1945, we are instructed by the Governing Body of this School to say that it has considered opinion of that Body that the present mortgages on certain parts of the school property, which exist on account of building grants, should be redeemed. We have therefore to ask that you advise us as soon as possible the total amount which should be repaid to Government to bring this into effect.

We have to give assurance on behalf of the Governing body that it is not the intention of that body to alienate from the use of the school any of the buildings which would thus be redeemed from mortgage.

With regard to the particular building grants it is noted in the draft copy of the mortgage deed for the purchase of the Y.W.C.A. in 1924 that the term of the mortgage was 20 years. Subject to confirmation by the original deed which is with the Department it is presumed that this mortgage and also the one for the construction of a new class room in 1919, will have expired.

We have no record of mortgage deeds for grants for

1. Opening of a footpath and providing drains Rs.497 in 1928
2. Extension and improvements to the Physical Training shed Rs.355 in 1928
3. Electric installation Rs.1287 in 1932

It is thought that the term of years for which the school is responsible to Government in respect of these may also have expired.

The grant for the purchase of the building "Manse" in 1930 remains and since the unexpired term of the mortgage in this case is about 24 years, a considerable portion of the amount *granted* may have to be refunded.

We shall be glad, however if you will kindly have the calculations made of the amounts required, and also inform us of any formalities that have to be attended to in order to clear the remaining mortgages, and secure the return of the relative documents to the school.

Grant - Building - Stanes European High School, Boonoor - Recovery of proportionate grant - Orders passed.

Letter from the D.P.J. No: 726 E/46 of 2.8.46.

Order (Edu) No. 1687 - dated 2.9.46

The Govt approve the proposal of the D.P.J. that the correspondent of the Stanes High School, Boonoor, may be relieved of the mortgages executed by him in respect of the building grants paid from Govt funds for the school on his refunding the proportionate amount of grant towards the cost of the works specified in the Director's letter.

21/8/46 B. Sec.

Note-

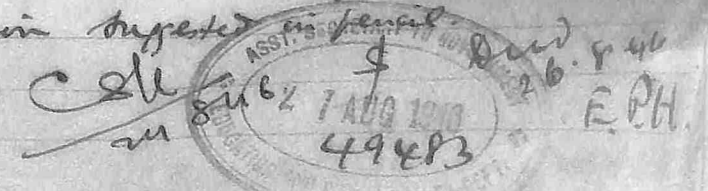

It is not clear why the correspondent wants to get relieved of the mortgages. Apparently he wants to sell some portion of the mortgaged property. Please see in this connection Memo No: 35669 ci/46-1 of 13.8.46. There seems to be no objection to the proposal as the correspondent agrees to refund the proportionate amount for the unexpired portion of the period of mortgage entered into with him. Finance may see.

I have the honour to state that the Correspondent, Stanes European High School, Coonoor, refunded the sum of Rs.6,038/- in chalan No.940 dated 19..9..1947 into the Imperial Bank of India, Ootacamund as ordered in the G.O. referred to above.

2. Madam,

As instructed by you I have paid into the Government Treasury, Ootacamund, the sum of Rs.6,038/- (Rs. The relative Challan is herewith enclosed.

At the same time I wish to make a claim for the refund of the amount covered by the period from which Rs.6,038/- was calculated as due, until this date of actual payment. I shall be glad if you will kindly let me know the actual amount for which a claim can be submitted, and the procedure to be followed.

Schools - European - Stanes' High School, Coonoor -
Recovery of proportionate grant.

From the D.I.P. No.6251 E/46, dated 29-11-47.

In G.O.No.1687 Edn., dated 2-9-46, the Government approved the proposal of the D.P.I. that the Correspondent of the Stanes' High School, Coonoor, might be relieved of the mortgages executed by him in respect of the building grants paid from Provincial funds for the school on his refunding a sum of - Rs.6038/-. This sum represents the proportionate amount due to Government on the 1st July 1946.

It is now reported that the amount was actually paid in the Imperial Bank, only on 19-9-47 and that therefore the proportionate amount to be recovered should relate to ~~the~~ 1st July 47 as the buildings were continued to be used for educational purposes, approved by Government. The Director recommends that the difference in the amount of proportionate grant to be recovered as on 1st July 1946 and on 1st July 1947 viz., Rs.300/- might be refunded to the Correspondent of the school.

The orders in the G.O. in question were issued only for the redemption of the mortgages and the recovery of the proportionate amount should therefore relate only to the date of that permission, viz., 1st July 1946. In paragraph 2 of the letter on page 3 of 'H' the Correspondent had stated that "we have to give an assurance on behalf of the governing Body that it is not the intention of that body to alienate from the use of the school any of the buildings which would thus be redeemed from mortgage." Even after the redemption of the mortgage the intention was to use the buildings for educational purposes. The reason advanced at 'M' on p.1 CF is not, therefore, a valid reason for refund of a portion of the amount recovered.

The Director's proposal need not be accepted.
