To The Secretary to the Government of Madras,

Sir,

(J) 2

REF: G.O. No. 921 Education, dated 19th June 1945.  
.....

I have the honour to request that Government may be pleased to accord sanction for the continuance during the current school year of the additional section of each of class V and Forms I and III in the Government Islamiah High School, Trichinopoly together with the staff sanctioned therefor in G.O.No.921 Education dated 19th June 1945 as the strength in the class and Forms under reference warrant the continuance of the additional sections in them.

During the previous year viz. 1945-46 there was a great rush of students for admissions in Form II and IV. To cope up with increased admissions, I permitted the opening of an additional section in each of Form II and IV and also sanctioned under the powers vested in me, the appointment of a secondary gradetacher for the additional section of Form II

p.t.o.

form II and a L.T. Assistant for the additional section of Form IV. As the circumstances that necessitated the creation of these posts continue to exist during the current school year also, I request that Government may be pleased to accord sanction for the continuance of the additional sections in each of Form II and IV and also the post of a secondary grade teacher and a L.T. Assistant for the additional sections in Form II and IV respectively in the usual salary grade.
