To

The Secretary to Government,
Education & Public Health Department,
Fort St. George.

Sir,

REF:-Your D.O.No.38523 A-1, Education, dated the 16th July 1946.

I have the honour to renew my request contained in my letter No. 1096-A/45 dated 27-9-1945 for the conversion of a post of Assistant Professor in English in the Presidency College into an M.E.S. post.

Full particulars have been furnished in my above letter and I have nothing more to state except to submit herewith a copy of letter No.C 3/135 dated

Y.17

2.

20th October 1945 from Major Paul (now Lt.-Colonel), Commandant of the Headquarters 1st (M) Battalion, U.O.T.C., Fort St. George, for the information of Government. The proposal may be given effect to as early as possible.

I have the honour to be,
Sir,
Your most obedient servant,

S. R. Savor.
Director of Public Instruction,

Fort St. George, Madras,
D/ 20th October 1945.

To
The Director of Public Instruction,
Madras.

Sir,

Sub:-Capt. B.R. Baliga.

I have the honour to state that Capt. B.R. Baliga, Officer Commanding, Presidency College contingent has been twice transferred from Presidency College to the moffusil on other duty. I understand that this was done as a case of promotion to Capt. B.R. Baliga in the Educational Department. His transfer from Madras detrimentally affects the efficiency of the U.O.T.C. contingent in the Presidency College. As you know, the U.O.T.C. is acquiring more and more importance day by day and it is necessary that an experienced officer like Capt. B.R. Baliga should constantly be with his own company in the interest of training, discipline and administration. Whilst I do not wish to interfere in matters of administration, I feel it desirable to represent to you that if some arrangements can be made by which Capt. B.R. Baliga can be retained in the Presidency College without detriment to his prospects in the Educational Department it will be a great help to the U.O.T.C. contingent of the Presidency College and to the Battalion.

I have the honour to be, etc.,
S. Paul, MAJOR
Comdg., 1st (M) Bn. U.O.T.C.

Ref: Your T.M. dated 8.8.46 regarding prospects of
continuance of Captain B.R. Baliga in the M.E.S.,

The information required is furnished below: --

(I) The posts in the English unit of the M.E.S. that are
now vacant:

- | | |
|--|---|
| 1. Professor of English,
Presidency College: | Reserved for Direct Recruit (War service
candidate). (Mr. H.C. Papworth's vacancy) |
| 2. Lecturer in English,
Govt. Victoria College: | Reserved for Direct recruit (war service
candidate). (Mr. P.V. Alexander's vacancy) |
| 3. -do- Govt. Training
college, | Reserved for Direct recruit (war service
candidate). (Mr. V. Venugopal Iyengar's
vacancy) |
| 4. -do- Teachers' College
Saidpet. | Reserved for Direct Recruit (Ordinary)
(Mr. G.H. Jensen) |
| 5. Junior Professor of
English, Presidency
College. | (Mr. R.H.P. Holman's absence on other
duty as District Educational Office) |
| 6. Lecturer in English,
Govt. Arts College,
Coimbatore (Temporary) | -- Temporary post -- |
| 7. Lecturer in English,
(Sri K.P.G. Menon's leave) | Leave vacancy. |

(NOTE: -- The leave vacancy of Sri N. Remani is not taken in
account as he is due to rejoin duty this week as
his posting has been ordered)

II. The names of officers who are officiating in those posts, in the order of seniority:

1. Sri N.R. Kedari Rao
2. Sri S. Narasimha Ayyangar.
3. Capt. B. Raghava Baliga.
4. Mr. C.R. Venkatachalam
5. Mr. M. Srimanbothar.
6. Mr. A.S. Tyagaraju (Proposed to be appointed as Mr. K.P.G. Menon has extended his leave)

(NOTE: -- The lien of Sri K. Swaminathan is on the post of "Additional Professor to assist the Principal, Presidency college in which a Mathematics Professor, Mr. G.A. Srinivasan is officiating. Hence one of the above vacancies in the English unit should be deemed to be held by a Mathematics man)

III. Whether Capt. Baliga is likely to continue to act in the M.E.S. in the Presidency College without a break...."

The answer is in the affirmative under the conditions explained below. When Sri K.P.G. Menon returns from leave Mr. Thyagaraju will revert. If Mr. Jansen returns to Civil duty immediately and the 3 vacancies reserved for war service candidates are filled before the end of the year 1946, Messrs. M. Srimanbothar, C.R. Venkatachalam, Captain Baliga and Sri S. Narasimha Ayyangar will revert in the order of juniority. But the important question is whether it will happen since it would be difficult to find qualified and suitable persons among war service men for all the 3 vacancies. It may be hoped that it will not be before May 1947 that the 3 War service candidates and Mr. Jansen will join duty. Moreover, the additional post for Mr. Baliga (if sanctioned) will be there and the question will be how to continue his senior, Mr. Narasimha Ayyangar in service. This can be decided only if either Mr. Jansen or any of the 3 War service candidates do not join earlier than May. The vacancies that are expected to arise during the course of next year are

1. Retirement of Mr. U. Mangesh Rao -- 7.5.1947
2. Sanction of a second post of Lecturer in English, Government Arts college, Coimbatore. -- 1-7-1947
3. Retirement of Sri P.R. Krishnaswami Ayyangar -- -- 15.12.1947

It will be possible to continue Mr. R.H.P. Holman in the

Administrative section till July 1947. Even if all the 3 War service candidates and Mr. Jansen are available for appointment, Sri Narasimha Ayyangar can continue without break from 7.5.1947 onwards. Capt. Baliga can continue without fear of reversion from 7.5.1947 in the additional post recommended.

In the above circumstances, I may say that in case either Mr. Jansen or one of the 3 War service candidates are not available for joining duty before May 1947 it will be possible to continue Capt. Baliga in the M.E.S. without a break. I may add also that I have not taken into account the leave vacancies that may arise in the meanwhile.

D.O. Director of Public Instruction,

My dear Viswanatha Ayyar,

pp. 7-9 a/c

In continuation of the reply dated 13-8-1946 to the telephone message from the Assistant Secretary, Education and Public Health Department, dated 8th August 1946, regarding the prospects of continuance of Mr. B.R. Baliga in the Madras Educational Service, I would like to state that it would be a great convenience and help both to the English department and in general to the Presidency College, Madras as a whole, if both Capt. B.R. Baliga and Mr. N. Ramani could be in the Presidency College. I, therefore, request that early orders may be passed on my letter R.C.No.1096 A/45 dated 22nd July 1946 for the conversion of a post of Assistant Professor of English into an M.E.S. post.

Yours sincerely,

M.E.S. - Presy. College, Madras - Proposal for the conversion of the post of Asst. ~~xx~~ Prof. of Eng., into one of Prof. of Eng.

In connection with ~~xxx~~ Part II of the budget
 for 1946-47, the D.P.I. (Dr. Dey) reported that the arrangement
 of making a member of the staff in the Subordinate ~~xxxx~~ Service
 to be in charge of the UOTC was not desirable, that Capt. Baliga
 who had been doing exceptionally good work in connection with
 the Corps in the College was an Asst. Prof. and that his frequent
 transfers on promotion to the mofussil had of late been causing
 a great deal of dislocation of work of the College UOTC. ~~He~~ ^{Re}
 therefore recommended that the post of an Asst. Prof. of English
 in the college might be converted into a ~~xxxxxx~~ Professor's
 post in the M.E.S. The proposal was not accepted, as it was
 considered that there was no sufficient reason for the conversion
 and also that previously the Fin. Dept. suggested the appt. of
 even a Tutor for the work.

2. The D.P.I. has now renewed the proposal
 and has requested that effect may be given to it as early as
 possible. In support of ~~his~~ ^{the} proposal, he has sent a copy of the
 letter recd. in Oct. 1945 from Lt. Col. S. Paul, Commanding I
 Madras Battalion U.O.T.C. It may be pointed out that in August 1945,
 i.e., two months before Lt. Col. Paul wrote, the Principal of the College
 (Dr. Savor) too reported in his letter of 30-8-1945 to the D.P.I. that
 the arrangement mentioned at "P" above would make it possible for
 the work of the Corps being done more efficiently and would relieve
 the strain on that dept. of study in the college in which the officer
 in charge of the Corps had to work. Capt. Baliga is now the ^{Junior} Profes-
 sor of English in the Presy. College. If the proposal, as is
 renewed now, for the conversion of an Asst. Prof.'s post into a
 Professor's post, is sanctioned, there will be an additional post
 in the M.E.S. for the English Dept. of the College and this would
 add to the efficiency of the Dept.

In the circumstances, it is for consideration whether
 the proposal will be supported in this Dept. The extra cost involved

is Rs. 3900 roughly. Ordinarily, the proposal should be treated as a Part II scheme for 1947-48.

May be sent to Fin. Dept. for remarks.

It will not be feasible to get a chair to object by more hands of Mr Baliga to the Presidency college, as he cannot be fully doing full justice to his teaching work for the Honours & B.A. classes, and the growing U.O.T.C. work. An additional post of Professor in the A.E.S. is badly needed in the Presidency college. The object cannot therefore be secured by transferring away any of the present professors in the college, which would be detrimental to Honours work. The advantages are great enough to outweigh the small additional cost involved. The U.O.T.C. requires an officer of more standing than a mere Tutor or Asst. Professor. 26.7.46 if he is to command respect & obedience.

Owing to the impetus given by the Madras University to the subject of Military Science, a large number of students of the Presidency College are taking the Honours advantage of this and have joined the U.O.T.C. Capt. B.R. Baliga, a member of the staff in the Subordinate Educational Service in the English Department of the college is in charge of the U.O.T.C. contingent in the College. When

his turn for promotion in the M.E.S. cadre comes, he has to be transferred to the mufassal and this disturbs the U.O.T.C. work of the college. In the interest of such work, it is now proposed to convert one of the Asst. Professors' posts into an M.E.S. post in order to retain Capt. Baliga in the college; this will enable him to be in touch with the U.O.T.C. contingent continuously. The extra cost is Rs 3,900 per annum.

2 The college also may be asked.

The English Department of the college has to do 117 hours of work per week. Excluding 6 hours done by Tutors, the rest of the work is shared by the existing staff of 3 Professors (in M.E.S. cadre) and 6 Assistant Professors (M.E.S. Service). Capt. Baliga, when he is in the college, can attend to only 7 hours of work per week, in view of his work for the U.O.T.C. The other members of the English Department have therefore to do about 13 hours of work a week, which is less than the prescribed 14 hours per week. [Please see in this connection p.5 n.f. of (E) below in which this department agreed to two additional Asst. Professors, on account of the fact that Mr. Baliga can do only 7 hours, as he has also to do U.O.T.C. work.] Thus, on a consideration of the work to be done, it may be stated that the teaching staff is more than adequate. It is not urged that, as between Professors and Assistant Professors, the work of the Professors has increased. So, there is no case for converting a post of Assistant Professor into one of Professor on account of actual work to be done.

3/ It is not clear that an officer of the status of Professor is necessary for U.O.T.C. work. The letter on p.3 C.F. does not indicate any such necessity. An Assistant Professor was deemed sufficient all this time and I do not think it can be seriously contended that the

U.O.T.C. must be in charge of a Professor. P above, the purpose of the proposal is to keep M. Baliga in Madras, either as Professor or Asst. Professor, this is not necessary to have one more Professor.

~~to be transferred to the U.O.T.C. in Madras in a Professor's post.~~

This purpose can be achieved, under existing circumstances, by permitting Mr. Baliga to take the place of one of the existing Professors and transferring the existing Professor somewhere else. In fact, this is what has been proposed by the D.P.I. The ^{real} reason for the present proposal is ~~to~~ ^{therefore} to keep the "existing Professor" also in Madras.

Unless this is necessary for administrative reasons (this is for E & P.H. to decide), this department cannot, I am afraid, agree to it. E.P.H. Secretary says that the other two existing Professors cannot, for administrative reasons, be sent out of Madras. I do not know if similar reasons exist in the case of Mr. Ramani too; the chances are that similar reasons do not exist and that Mr. Ramani can be transferred out of Madras without any administrative inconvenience being caused.

If that be so, this proposal cannot be supported in this department, as the real reason for it will ^{then} be not only to keep Mr. Baliga in Madras in charge of the U.O.T.C. but also to keep Mr. Ramani too in Madras, for what appears to be personal reasons, which this department cannot ~~recognize~~ recognize, however hard the individual case may be.

4/ I have also ascertained from E.P.H. that even if the proposal is accepted and another Professor added to the staff, this addition will benefit not Mr. Baliga, but the probationer immediately above him. There will then be 2 vacancies in temporary posts and these will go to the two probationers immediately above Mr. Baliga, who will get a chance of officiating in leave vacancies. It is, however, very likely that he will be able to officiate without a break in such vacancies. [Unless this ^{is possible} ~~is possible~~, the proposal will be of no use at all, if the purpose is to keep Mr. Baliga in charge of the U.O.T.C. in Madras in a Professor's post].

Para 4 of Finance's note on p.4 ante:

There are now 7 vacancies in the English unit of the M.E.S. Capt. Baliga, two officers senior to him and three officers junior to him are offg. in these vacancies. 3 more vacancies are expected to arise during 1947. The D.P.I. states that Capt. Baliga can continue, without fear of reversion, in the M.E.S., from 7-5-47, in the addl. post proposed to be ~~created~~ converted. In the light of "Q" on p.8 and "R" on p.9 C.F., it seems that it can safely be ^{expected} ~~hoped~~ that Sri Baliga will continue to act in the M.E.S. without a break till 7-5-47 - at least in leave vacancies. This Dept. may therefore press the proposal and request Finance kindly to reconsider and ~~agree~~ to it.

Principal reason for his purpose of keeping Mr. Ramani also in the college is a personal matter but his proposal has been made. Mr. Baliga has to attend to his T.C. work, known work in English with super duty, unless Mr. Ramani is also retained. As D.P.I. has said that in the interests of known work, Mr. Ramani can also be retained in the college. Finance may ~~see~~ again and withdraw his objection.

(See minute on 14-2-46 above)

Edn. have now shown that Mr. Baliga can be retained in the M.E.S. in leave vacancies till 7-5-47 and that if an M.E.S. post is created

in lieu of a M.E.SS post, he can be retained in MES post continuously from 7.5.47. At the same time EPH have shown that the proposal will benefit the ~~retention~~ ^{also} of Mr Ramani. ^{His} services are considered necessary for Honours work in English, ^{as Mr Baliga} to supplement the has to attend to UOTC work also.

It is therefore clear that the proposal will benefit both Mr Baliga and Mr Ramani and as EPH consider that the services of both are necessary ^{in Madras} - one in the interest of UOTC work and the other in the interest of Honours work, this Dept may agree to the proposal to convert an

existing post of MESS to MES in the Presidency college, for a period of year (to begin with) or till as long as it is found that either Mr Ramani or Mr Baliga must be retained in Madras
