active and possessed of sufficient energy to ~~finish~~
 ties efficiently. I therefore request that my prayer
 sion of service for one year be favourably considered
 in view of my long and meritorious services under the
 Board performed at times in the midst of trying circumstances,
 the President himself is well aware of. This prayer ~~of mine~~
 he will, if conceded, be also in the best interests of the pupils of
 the institution, for a change of Headmastership in the middle of a sch
 school year will, it need not be said, be a handicap to the pupils. ~~I~~
 Finally, I beg leave to state that I was emboldened to make this re
 quest partly because of precedents set up in the cases of Sri I Maria
 Soss Pillai and T.A. Ramachandra Ayyar who were granted extension till
 the close of the school year and partly because of the Proceedings of
 the Proceedings of the D.P.I. notifying in G.O. No. 919 Edn, dated 19-6-45
 permitting teachers to continue in service up to the age of 60 with
 the approval of the Divisional Inspector of schools.

I beg to remain,
 Sir,
 Your most obedient Servant,

The District Educational Officer, Tanjore.

Sir,

I beg leave to invite your kind attention to the fact that I am normally due to retire from service on the 2nd January, '46 on which date I complete my 55th year and to request that I may be granted an extension of service, so as to enable me to continue in office for a year more or, if that be not feasible, at least till the commencement of the next school year in June, 1946.

I entered the service of the Tanjore District Board on the 7th July, 1921, as a Headmaster. Since then, I have served in various institutions under the management of the Board, always discharging my duties loyally and conscientiously, and to the entire satisfaction of my superiors, besides striving, at all times, to raise the general tone of the schools in which I have had the privilege of serving from time to time. In this connection, I beg leave to be permitted to state, without transgressing the limits of modesty, that during all my service I have had the unique good fortune of winning the good opinion of successive Presidents of District Boards and successive District Educational Officers. Nor has the District Board failed to recognise the sincerity and earnestness of my work, for, in its Administrative Report to the Government in 1924, the Board was pleased to make a special recognition of my work, as may be seen from the extract quoted below:-

"The results of the Orathanad High School are specially praiseworthy. It is a free Boarding institution, and that in the very first year of its reaching up to the Sixth Form and while sending up its first batch of boys for the Public Examination, it should have achieved such signal success is particularly gratifying. It may not be out of place to mention here that the school has done as good work on the playground as in the class room. In the recent inter school sports held at Man-nargudi, it came off with flying colours, having secured several shields and one of its boys having been awarded the Grigg Medal. On the whole, its youthful Headmaster, Mr. Aravamudan Ayyangar deserves special congratulations and commendation."

Throughout my period of service, I have been endeavouring not only to raise the moral and intellectual level of the pupils entrusted to my charge but also to create in them a taste for physical and sporting activities and to instil in their minds a true sportsmanlike spirit. It was during my period of stewardship that the unique privilege of winning the Merit Shield awarded annually to the best school in the District, as judged by the results of the District annual inter-school Competition was conferred on the Beard High Schools at Orathanad and Pattukkottai in 1924 and 1936 respectively - the only two institutions under the Board which can boast of having had this honour during all these years.

In addition to my legitimate duties as a Headmaster, I have been more than once entrusted with the task of conducting the Common Examinations for all the District Board Secondary Schools. As convenor, I have been conducting the Examinations without any complaint to the entire satisfaction of my superiors and my brother headmasters, as is well borne out by the fact that the President, District Board was pleased to appoint me as convenor for nine years in succession.

District Board, Tanjore - Sri S. Aravamudha Ayyangar, Headmaster
Board High School, Ayyampet - Re-employment after retirement -
Not recommended

REF: Letter RC.No.A-13-No.28830/45, dated 6-12-45 from the
President, District Board, Tanjore.

Submitted.

2. Under the District Board, Tanjore, there is already
Sri S. Santhanam Ayyar, a probationer for the post of Head-
master, who may be appointed as the Head Master of the Board
High School, Ayyampet, when Sri S. Aravamudha Ayyangar retires
on 2-1-46. If, however, he is already appointed as Headmaster
of any other high school, one of the three persons included
in the panel for the current year has in the fitness of things,
to be appointed as Head Master in the vacancy to be caused by
the retirement of Sri S. Aravamudha Ayyangar.

3. The President, District Board's plea that the change
of personnel of Headmaster in the middle of the School year
will hamper the progress of the school for the year may not be
accepted for the two reasons (i) the persons included in the
panel are only persons selected after due considerations of
suitability, ability etc and so it cannot be said that their
appointment as Headmaster in the middle of the year will hamper
the progress of the school and (ii) if this is acceded to become
a Headmaster during the course of school year except at the
beginning.

4. In the above circumstances, I do not see any reason to
support the proposal of the President, District Board to re-
employ Sri S. Aravamudha Ayyangar after his retirement.

5. The Service Book of Sri S. Aravamudha Ayyangar is
herewith enclosed.

Sir,

* Establishment - Secondary Education - Board High
School, Aiyampet - Tanjore District Sri S. Arava-
mudha Aiyengar B.A., L.T., - Retirement on attai-
ning the age of 55 - Extension of service applied
for - Petition forwarded for orders.

ENCLOSURES TWO

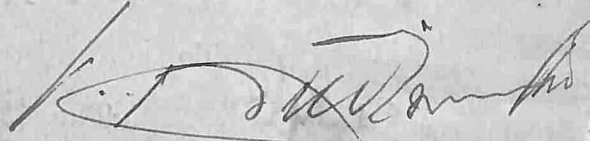

SPARE COPIES

I am forwarding herewith a petition put in by Sri
S. Aravamudha Aiyengar, Headmaster, Board High School, Aiyam-
pet Tanjore for favour of granting him extension of service
for a year more or at least till the commencement of the
p/t/o/

the school year in June 1946. The headmaster in question is the age of 55 on 2-1-1946 and he is therefore normally to retire from service from that date. He has put in a satisfactory service on the board and his continuance in service will prove useful in the interest of the school in which he is now serving. I consider that a change in the headmaster-ship of the school in the middle of the school year will hamper the progress of the school for the year and therefore recommend that his prayer for extension of service may be considered and that he may be retained in service atleast till the close of the school year 1945-46.

As the teacher is to be retired on 2-1-1946, I request that very early orders may be passed on the petition. The service register of the teacher is also enclosed for favour of information and return when done with.
