Sir,

Sub: Grant - Buildings for the accommodation of training
school classes permitted to be opened under emergency
scheme - construction of -

B on p. 1 C

In the G.O. referred to above, Government have ordered
that the cost of additional accommodation to be provided for
the training classes may be met from Provincial funds if necessary

I have the honour to report in this connection that some
of the managements which have been permitted to open additional
training classes have submitted proposals for putting up sheds
for accommodating the training classes and hostels. They have
also applied for advance as they are reported to be not in a
position to meet the entire cost immediately.

App-127
B.K.

I may state that under normal condition any scheme for
the construction of building has to be scrutinised by Consulting
Architect or Electrical Engineer or Sanitary Engineer as the case
may be and after obtained their approval the scheme will be
placed on the approved list and the work should be completed
within 3 years from the date of inclusion of the scheme in the
approved list. The other conditions laid down in Chapter VIII
of the Grant-in-Aid Code will also have to be satisfied before
sanctioning the grant which is only half of the approved net
expenditure actually incurred by the management.

The above rules cannot be followed in respect of sheds
proposed to be put up for accommodating the training classes
opened under the G.O. referred to above. I therefore submit
the following proposal for sanction of Govt.

Any scheme for putting up sheds for the training classes
or for use as hostels will be examined by the Director as to the
necessity for such a proposal and accepted by him on approval
by the Executive Engineer (P.W.D) of the District in which the
training school is situated. The entire expenditure not exceed-
ing the cost fixed by the Executive Engineer will be sanctioned
by the Director while at the same time he may also sanction an
advance not exceeding half of the estimated cost to facilitate
the management to proceed with the work without financial
difficulty. The management will not be required to execute any
mortgage deed.

I have the honour to be,
Sir,
Your most obedient servant,

R. Narasimhan
For Director of Public Instruction.
