Re. No. 2424-C/46., dated 31st July 1946.

Sir,

REF: G.O. No. 1463 Education dated 26-7-1946 -
Basic Training Schools - Deputation of
educationists to Wardha for a fortnight.

.....
Government have deputed a batch of 11 teachers to undergo training at Wardha for a period of 9 months. Government have also under consideration to implement these by opening more training schools of the kind in Kerala and Andhra parts of the Province.

In the G.O. noted above the District Educational Officer and Deputy Inspector of Coimbatore have been deputed to Wardha for a period of fortnight to study first hand the system there. In this connection, I think it necessary that with a view to understand to what extent and in what manner the fundamental features of the Basic scheme can be incorporated into the existing scheme of education a committee of educationists - official and non official be directed to study the Basic scheme of general education and training carried on at Wardha for a period of 15 days and then discuss and submit a report regarding syllabuses and their suggestions. I should think this will enable the departmental officers in various parts of the Presidency to carry out this programme effectively and give a start and guidance when other schools are started.

I request therefore that government will be pleased to depute the 11 persons noted hereunder for the purpose in addition to those already deputed i.e. District Educational Officer, Coimbatore and Deputy Inspector, Coimbatore.

1. Sri V. Raghunathan, Additional Personal Assistant to Director of Public Instruction, Madras.
2. Sri U. Satyanarayana, District Educational Officer, South Vizagapatam.
3. Sri D. Ramamurthi, Deputy Inspector, Vizagapatam Di.
4. Sri N. Subba Rao, District Educational Officer, South Kanara.
5. Sri Muhammad Usman, District Educational Officer, Cuddapah.
6. Sri Arumachalam, Headmaster, Gandhi Training p.t.o.

School, Periyannayakonpalayam.

7. Mrs. A.S. Swarnambalx Inspectress, IV Circle.

8. Sri V. Natarajan, District Educational Officer, South Malabar.

9. Sri T. Raghavan Nair, Headmaster, Government Training School, Palghat.

* 10. and 11. Two representatives of the South Indian Teachers Union.

The above persons represent various linguistic areas and various faculties (Languages, Mathematics, Science, History etc.)

The government officers may be permitted to draw T.A. and D.A. according to Madras Travelling Allowance Rules while non-officials also will get Travelling Allowance and Daily Allowance according to their pay and status. These 11 persons will go together with the District Educational Officer, Coimbatore and the Deputy Inspector. As soon as orders of government are received the date of their tour will be fixed by me in consultation with the authorities at Wardha.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

Subject:- Basic Education - Deputation of officers and
Teachers to Wardha for fortnight.

In their order No.Ms.1720, Education, dated 6-9-1946, Government were pleased to approve my proposal to depute eleven officers and teachers to Wardha so that they may observe and study the method of instruction imparted in the Basic Training School. In the last paragraph of the G.O., it has been ordered that the nine officers will be eligible to draw Travelling and Allowance and Dearness Allowance (besides their pay and allowances) admissible to them as on tour in accordance with Rule 98(a) of the Madras Travelling Allowance Rules. The two non-officers will be eligible for Travelling Allowance and Dearness Allowance for their journey and stay at Wardha at the rates admissible to officers under the Government of the same status and pay as theirs, according to the same order.

2. I submit in this connection that the non-gazetted officers and the two non-officers will be eligible only for Intermediate class fare and for a small daily allowance. As the officers have to make a long and arduous journey, I recommend that all of them may be permitted to travel by second class and allowed to draw 1st Second class Fare for the journey each way and a minimum Dearness Allowance of Rs.5/- per diem. I may also state that Mrs. Kumari Devi, a student who has deputed to undergo training at Wardha and who returned before completing the course was sanctioned II class fare - vide Government Memorandum No.56142 B2/46-2, Edn., dated 11-10-1946. In their order No.1479 Edn., dated 5-6-1943, Government were pleased to sanction travelling allowance at these rates when a party of some officers and non officers were deputed to visit the I.A.O.C. Battalion at Katni.

I do not think this is a satisfactory plan for decision from the rules; the proposed way is negative.

The Govt. have sanctioned the deputation of certain officers and teachers to observe the course of training at Wardha for about ~~two~~ fortnight. The D.P.I. now reports that the non-gazetted officers and teachers from private schools will be eligible for ~~the~~ travelling allowance only at the ~~rate of~~ Intermediate class fare. He considers that the rate of travelling allowance is too low having regard to the long journey which the teachers have to perform. He recommends that ~~the~~ they may be permitted to travel by second class and to draw one and half second class fare ~~for the journey~~ and a minimum daily allowance of Rs. 5. The recommendation of the Director seems too liberal. For orders whether it may be accepted.
