In G.O. No. MS. 1224 P.H. dated 13-4-46 the Government
have sanctioned the employment of a clerk-typist for the work
connected with blood transfusion in the Government Stanley
Hospital, Madras. The Superintendent of the hospital reports
that the clerk-typist has to maintain typed records of the
blood donors and all correspondence relating to the blood
bank. He states that the blood bank is far away from the
Central Office and that, as the existing two typewriters
in the Central Office are fully engaged, it is not possible
for the clerk to utilise any one of them for the blood bank
work although he is a qualified typist. He therefore

considers that an additional typewriter is absolutely necessary for the blood bank work. I agree with him and request that the Government will be pleased to sanction the supply of an additional typewriter for the Government Stanley Hospital Madras.

Your obedient servant,

B. Kuntalappa
