Sub: Government Press - Carpentry Department - admissibility of officiating promotion under Fundamental Rule 30.

I have the honour to state that officiating promotion may be declared admissible under Fundamental Rule 30 to the post of Carpenter Grade I from the posts of Carpenters Grade II and III. The duties and responsibilities attached to the post of Carpenter are of greater importance than those of Grades II and III. The duties of Carpenters Grade II and III are only of a primary nature and the finishing touch and finality of the work is being done by the Carpenter of Grade I for which more skill and experience are required. The following is the strength of the Carpentry Department.

Grade I ..	Rs 28-55	..	1
Grade II ..	Rs 19-28	..	2
Grade III..	Rs 15-19	..	4

From the above strength it will be seen that the flow of promotion between different grades is not much and it is not likely that a Carpenter on Grade II will rise up to Grade I unless the senior carpenter retires or goes on leave.

Even

Even when the carpenter Grade I is on leave there is no chance of Grade II carpenter getting any allowance for discharging duties of Grade I carpenter. Two posts of carpenters have been sanctioned for Electoral Rolls work in G.O.No.1598 Edn., dated 10-10-1945 and the two carpenters on Grade II have been promoted to hold these temporary posts. As they are already drawing Rs 28/- in their substantive posts and as no officiating promotion has been declared between grades II and I they have been allowed to draw only Rs 28/- the minimum of Grade I which is nothing more than their substantive pay and these carpenters have been asked to discharge more responsible duties and it is but fair that they should be remunerated at least to a slight extent by declaring officiating promotion between Grade I and II in which case they would be benefited to the extent of Rs 4/- only. They have already made personal representations on their hardship.

I therefore request that Government may be pleased to sanction officiating promotion to Grade I of the carpenter's post from Grade II and III from the date of sanction of G.O.No.Ms.1598 Edn., dated 10-10-1945.
