One copy of Acts etc. of the Provinces is kept in the Sect. Library, and the second copy is kept here. This is a convenient arrangement.

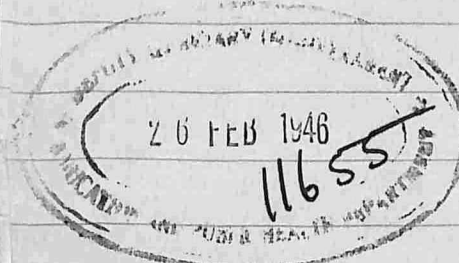

In the case of Grissa Act, only one copy is being received, and this leads to inconvenience in some cases. The draft above suggests that two copies of these Acts etc. may be sent to us

in exchange for two copies of our Acts etc.
May be sent to E. H. H. for acceptance.

LEGAL DEPARTMENT.

Sir,

With reference to your letter No. 1275-3, dated the 4th March 1946, on the above subject, I am directed to invite a reference to the correspondence ending with this Department letter No. 2556-L, dated the 10th April 1940, and to say that beside the one copy each of the Madras Acts, Regulations and Ordinances which are at present being supplied on free exchange basis to the Secretariat Library, at Cuttack, this Government require 5 more copies of these enactments for use in the Department and they are at present obtained on payment. If as suggested in your letter under reference the number of copies to be supplied on free exchange basis be raised to 2, this Government will still have to purchase 4 more copies to meet their full requirement. To get part of the requirement on free exchange basis and part on payment, as the Government of Madras will no doubt realise, would not be a convenient arrangement and it was for this reason that in the letter of 1940 referred to above, this Government expressed their inability to accept the very same proposal made by the Government of Madras in their letter No. 6717-2, dated the 27th October 1939 which was in reply to the proposal of this Government for the supply of 5 copies on free exchange basis. In the circumstances stated above I am to request that the Government of Madras may be moved to reconsider the question and agree to supply 5 copies on free exchange basis in addition to the one at present supplied to the Secretariat library-I am to add that the Government of Bihar have also agreed to supply the same number on exchange basis.

Please see this Sept letter to the Govt of Grissa (at p3 ante) and their reply at p10 ante. The proposal in the file is for the supply of 2 copies each of Grissa Acts, Ordinances and Regulations free of cost in exchange for two copies of similar publications of the Govt, in modification of the existing arrangement for one copy each. For the reasons stated in their letter at p15 ante, the Govt of Grissa suggest that this Govt may reconsider their decision of 1940. (contained on p3 c.f. of (U)) and to raise agree to raise the number of copies to be supplied on exchange basis to five in addition to the one as at present.

At the investigation of the Grissa Govt, the question of the supply of five copies in addition to the existing arrangement of one, was considered in detail by this department in consultation with E & P H and the Sectl. Library. The Govt of Grissa

20 were apprised of this Govt's unwillingness
 to increase the number to two but not to
 five as suggested by the Crissa Govt. Thereafter
 the Govt of Crissa expressed their inability
 to raise the number to two for the reason
 that 'it will not meet their requirement
 in full' and suggested that the existing
 arrangement (of 1 copy) might continue.
 The question was then dropped.
 Now the question for consideration
 is whether this Govt. Dept. may agree to the
 exchange of 5 copies of Acts etc. in addition
 to the one as at present. Attention is invited
 to portion marked 'A' in the E&PH Dept. note
 at p 3 n. f. of ① and the then Secretary's note
 at p 2 n. f. of ibid and D.S.'s order in pencil
 on p 17 c. f. 2 copies seem to be quite sufficient
 one for retention in the Sectt. library and the other
 for use in this Dept. If the Govt of Crissa
 do not agree for to this Dept. proposal at p 3
 ante this Dept. may suggest the continuance of
 the existing arrangement. However the Acts are
 required for reference in this Dept., they may be obtained
 from the Sectt. Library who will be getting one copy as usual.
