Establishment - Education - Secondary - Appointment of retired L.T. and Secondary grade teachers in Board Secondary schools for want of qualified hands as a temporary measure - Sanction sought for.

There are several vacancies of L.T. and Secondary grade assistants and in the different Board Secondary schools under the management of this Board. Further some more additional temporary sections have to be opened from 1-7-1946 as there is heavy rush for admissions in every school and besides these, there are vacancies on account of some teachers entering on leave. The vacancies on this date are :

L. T. Grade	6.	excluding the temporary ones that will occur from 1-7-1946.
Sec. grade	10	

The above vacancies are mostly longstanding ones. So far I have received five applications only - 2 L.T. grade and 3 secondary grade and two applications from untrained graduates (B.Sc.) for appointment in the L.T. grade vacancies. Besides these, there are also vacancies of Tamil Pandits, Physical Training Instructors and Instructresses. In these circumstances it is quite necessary that the available retired teachers must be appointed in the vacancies in public interest. Last year also the same difficulty was felt, and to get over the same, teachers were appointed with the approval of Government in G.O. No. Ms. 1366 Edn., dated 6-9-1945 and No. Ms. 1581 Edn., dated 8-10-1945. Their services had to be terminated at the end of the school year 1945-46 (viz.) just before the closure of the school for summer vacation as per orders of Government.

The following are the retired teachers now available for appointment.

None of the above teachers is borne on pensionary scheme and the pay drawn by them at the time of retirement and the pay proposed to be given on re-employment, if sanctioned is shown in Cols. (5) and (6) above respectively. All these teachers are efficient, physically fit and are willing to be re-employed.

In the above circumstances I request that the Government will be pleased to sanction the re-employment of the above teachers from date of appointment for a period of one year (viz.) till the end of the current school year. Of course the services of these ~~re-employment of the above teachers from date of appointment~~ teachers will be terminated earlier if and when qualified hands become available.

In view of the urgent necessity for filling up the existing vacancies in the schools, I request that I may be permitted to employ the above teachers in anticipation of approval of Government.
