For H.M. (Education)

It would appear that Government are starting B.Com Courses in Coimbatore and have asked the D.P.I. to suggest the names of two persons for the posts of (1) Lecturer (Gazetted M.E.S.) and (2) Asst. Lecturer. (Non-Gazetted). The Deputy D.P.I. has recommended already for the latter post the name of one Mr. T. Appalanarasayya, M.A.(Com) B.Ed., who is at present a Deputy Inspector of Schools (on leave) at Hindupur (Anantapur Dt.). His present pay is Rs.120 and the next increment of Rs.10 is due in September 1946. He has put in 21 years' service in the Education Department of which 7 years were in the Govt. School of Commerce, Vizagapatam, as Commercial Asst. Lecturer's post is till unfilled. Mr. Appalanarasayya is the only Commerce M.A. in the entire Madras Education Dept. His qualifications are

(1) M.A. 2nd Class with a high rank in "Commerce" of the Calcutta University in 1928.

His subjects were:-

(1) Realistic Economics	(5) Mercantile law
(2) Banking	(6) Currency
(3) Accountancy	(7) Economic Geography
(4) Auditing	(8) Business Organisation.

He requests that he may now be appointed as Lecturer in Commerce, in view of his qualifications (M.A. (Commerce) and B.Ed.) and long service in the Education Dept. If this request is not possible, then he would prefer to continue in his regular line as Dy. Inspr. instead of going as Asst. Lecturer (Rs.100-200 grade) (non-gazetted) as he does not gain anything by going to Coimbatore, far from his place (Vizag Dt.). As he is the only man in the Madras Education department suitable for the post, he may be given the Lecturer's post and thus encourage him in

view of his longstanding service in the department and his special qualifications.

Rc. No. 2465 C/46 dated the 8th August 1946.

Sir,

Madras Educational Service -- Post of Lecturer in Commerce -- Recruitment to the -- Recommendation -- Submitted.

45337 (W)

Ref: G.O.Ms.No.811 Education dated 15.4.1946.

In connection with the opening of B.Com. degree courses in the Government Arts College, Coimbatore, the Government have sanctioned the employment of a Lecturer in Commerce in the M.E.S. for a period of two years with effect from the date of employment.

2. The minimum qualifications prescribed by the University of Madras for the post of Lecturer in Commerce are:

> "a First or Second class B.Com. degree of the University of Madras or a Commerce Degree of any other University accepted by the Syndicate of the Madras University as equivalent thereto."

The Registrars of the Andhra and Madras Universities were requested to recommend a suitable candidate for appointment to the post under emergency provisions. The Registrar, Andhra University has stated that the only candidate~~s~~ who ha~~ve~~s passed the M.Com. degree examination of that University is one, Mr. P.S.

5

-- 2 --

Santhana Krishnan, Probationery Assistant, Imperial Bank of India, Coimbatore. He has also stated that the University has no other suitable candidate to recommend for the post. Mr. P.S. Santhana Krishnan is not likely to give up his present post in the Imperial Bank of India to take up the post of Lecturer in the M.E.S. under emergency provisions. The Registrar, Madras University, has reported that it has not been possible to find a qualified candidate for the post in spite of efforts made to secure one.

3. In this connection I have the honour to state that Sri T. Appalanarasaiah, permanent Deputy Inspector of schools (now on leave) is a Second class M.A. in Commerce of the Calcutta University. He has served as an Assistant in the School of Commerce, Vizagapatam, for seven years before it was closed. He has been out of touch with the subject for some years now and has had no experience in teaching the subject to University classes. However, in the absence of a better candidate for appointment to the post and in view of the necessity for filling the post immediately, I recommend that the Government may be pleased to appoint Sri T. Appalanarasaiah as Lecturer in Commerce, Government Arts College Coimbatore, under Rule 9(a)(i) of the General Rules relating to the Madras Provincial & Subordinate Services. The question of making a regular appointment to the post may be considered some time later, i.e., after Sri T. Appalanarasiah's suitability for the post is judged on the basis of his actual work in the College, or when a more suitable person is available for appointment to the post.

Ref: Your Post Copy of Telephonic Message regarding filling of the post of Lecturer in Commerce, Government Arts College, **Coimbatore.**

The information required by you is furnished below seriatim:

(1) 43 Students have been admitted into the Commerce classes of the Government Arts College, Coimbatore.

(2) The post of Assistant Lecturer in Economics has been filled. As no person with B.A. and G.D.A. qualifications is available for appointment as Assistant Lecturer, Sri T. Appalanarasaiah was appointed to this temporary post under emergency provisions. As the Officer does not gain anything materially he is very reluctant to take up the post at Coimbatore. Pending orders of Government on the recommendation contained in the Director's letter Rc.No.2465 C/46 dated 8-8-1946 the post of Assistant Lecturer (B.A. - G.D.A) is vacant.

(3) Since it is less difficult to get a suitable person for the post of Lecturer than to get an Assistant Lecturer with B.A. and G.D.A. qualifications on Rs.100--200, the former post (viz., Lecturer) may be filled. Moreover, it is essential to have a Lecturer in the Madras Educational Service to plan the Department and attend to the building up of a Library in the subject and give the subject a good start. If necessary, the question of managing without the Assistant Lecturer (B.A.-G.D.A.) this year will be examined in consultation with the Principal.

The method of recruitment to tempy. posts of Lecturers is "Transfer from the Edl. Subordinate Service, from among Asst.Lecturers and Asst.Professors". The D.P.I. consulted the Madras and Andhra Universities (for securing the services of a candidate - but) without success. He, therefore, recommends that Sri Appalanarasayya× refd. to above may be apptd. as Lecturer under the emergency provns. for the time being. The Dir., at the same time, says that Sri Appalanarasayya has been out of touch with the subject for some years now and has had no expce. in teaching the subject to Unty. classes and that the question of making a regular appt. may be considered some time later, i.e., after Sri Appalanarasiah's suitability for the post is judged on the basis of his actual ~~wo~~ work or when a more suitable person~~al~~ is available. Whether the Dy.Inspr. ~~will~~ is fit for lecturing work at all is doubtful. ~~has not been certified by him. M.E.S. - Recruitment by transfer - 1948-9 - Estimate of the no. of ~~20~~ 3 candidates to be selected.

Lecturer in Commerce:

The temporary post of Lecturer in Commerce Government Arts College, Coimbatore has been reserved to be filled by Direct Recruitment of a War Service candidate, and the Commission is taking necessary steps to select a candidate. I~~t~~ may submit that the present incumbent of the post, Sri T. Appalanarasiah, has the necessary qualifications for the post, he being a II Class M.A. in Commerce of the Calcutta University. He has been officiating in the post under emergency provisions from 20-9-46. In Paragraph 2(b) of their Ednt. No.13088 A.3 Edn dated 3-3-47 the Govt. stated that Sri T.Appalanarasiah, being a Deputy Inspectors of Schools, was not eligible for 'transfer' as Lecturer in the Madras Educational Service. In this connection I may submit that this technical difficulty can be overcome if Sri Appalanarasiah is appointed as an Asst. Lecturer in Commerce and becomes an "Approved probationer" in that post. In fact, prior to his appointment as Lecturer in Commerce, he was actually appointed to officiate as Assistant Lecturer in Commerce under emergency provisions. This temporary appointment as Assistant Lecturer did not mean any financial benefit to him. Hence he did not join duty as Asst. Lecturer but requested that he may be considered for appointment as Lecturer. If he is now deemed to have been regularly appointed as Asst. Lecturer in Commerce with effect from 20-9-46 (the date of his joining duty as Lecturer) the temporary service in the M.E.S. will count towards his probation in the post of Asst. Lecturer and he will be able to complete the prescribed period of probation in September 1948, and thereafter become eligible for 'transfer' as Lecturer in the Madras Educational Service. If the Govt are pleased to approve the above procedure, I request that one of the two temporary posts of Lecturers in Commerce may be reserved to be filled by Transfer and

(regularly), with retrospective effect, as Asst. Lecturer in that college, without prejudice to his tempy. appt. as Lecturer, so that he may become eligible for recruitment by transfer as Lecturer. The Dir. may issue necy. orders accordingly. He is informed in this connection that, under rule 5 of the General Rules for the Provl. & Sub. Services, the post of Lecturer in Commerce, Govt. College, Mangalore, if sanctd., will have to be filled by 'recruitment by transfer', as it will be tempy., and that the question of reserving it for 'direct recruitment' or 'transfer' would arise only if and after it is retained on a permanent basis.

6. Lecturers in Commerce:- As ad hoc rules for the posts have not been framed yet and as further the Government have no information as to whether Sri T.Appalanarasiah (officiating temporarily as Lecturer in the Government Arts College, Coimbatore) has completed his probation as Assistant Lecturer in the Madras Educational Service, the post has been left to be included in the next year's estimate, if necessary.

M.E.S. - Post of Lecturer in Commerce, Govt. Arts College, Coimbatore - Regular appointment.

COMMERCE:

10-11 CF

The only post in this unit is the Lecturership in the Coimbatore Arts College. It being a temporary post, the normal method of recruitment is 'transfer from Asst. Lecturers or Asst. Professors in the Subordinate Service'. But, as no qualified Asst. Lecturer or Asst. Professor was available, it was decided to fill the post by direct recruitment, and, in consonance with the general policy, by a candidate with war service. In the mean-time, Sri T. Appalanarasiah, a Dy. Inspector, who had the necessary qualifications, was appointed under the emergency provisions, for the current college year. The concurrence of the M.P.S.C. for continuing the temporary appointment beyond 3 months has also since been applied for and obtained.

ⓐ Rule 2(a) of the M.E.S. Rules

The Director of Public Instruction says that Sri Appalanarasiah has now submitted a petition for the regularization of his appointment, that it is under his consideration and that his recommendations thereon will be sent to Govt. shortly. He also says that, with a view to giving the Commission an opportunity to consider Sri Appalanarasiah's suitability for regular appointment, the post may be included in the estimate. The proposal cannot be complied with for the reason that what the estimate should contain is the number of candidates to be selected for appointment to the Madras Educational Service by transfer, and not requests to the Commission to consider the suitability for regular appointment of officers who were not appointed by that method. Sri Appalanarasiah, being a Dy. Inspector, is not eligible for appointment by 'transfer' as a Lecturer.ⓐ Pending reallotment of reserved vacancies as between war service men and 'civilians', the question of regular appointment to the post need not, it seems, be considered. The post cannot be included in the estimate for the purpose which the Director has in view. Sri Appalanarasiah's petition with the Director's recommendation may be awaited.

The D.P.I. has now sent a copy of Sri Appalanarasiah's petn. referred to in the note above and has recommended that his tempy. appt. as Lecturer in Commerce may be regularised, w.e.f. the date of taking charge, in consultation with the Commission, by relaxing rule 2(a) of the Special Rules for the M.E.S.

It is understood from Pub. At present there is only one post of Lecturer (tempy.) in the Commerce ~~this~~ unit in the Govt. Arts College, Coimbatore. It has been reserved for a war service candidate and has also been advertised for the direct recruitment of ~~by~~ such a candidate. Sri T. Appalanarasiah, Dy.Inspr., is holding it under the emergency provns. meanwhile. He, not being a member in the category of Asst. Profs. and Asst. Lecturers (from which category alone promotion is admissible to the Lecturers' posts), is not technically eligible for regular appointment. Attention is invited to p.24 cf ~~file V~~, containing Sri Appalanarsiah's request for regular appointment and the discussions on previous pages ~~there~~.

C.F. 3

Another tempy. post is likely to be created in the Govt. College, Mangalore, from the next academic year. The D.P.I. proposes a solution to get over the difficulty in granting Sri Appalanarasiah's request: There is a post of Asst. Lecturer in Commerce in the Coimbatore College. To that post, Sri Appalanarasiah himself was promoted before he was apptd. as Lecturer. But he did not join duty as he would not derive any monetary benefit by the promotion. The Director says

that, from the date from which the officer has been offg. temporarily as Lecturer, he may now be deemed to have been apptd. as Asst. Lecturer, and that, if that is done, his tempry service in the M.E.S. would count for ~~promotion~~ probation in the Asst. Lecturer's post, and that, then, he, as an Asst. Lecturer, may be considered for regular appt. as Lecturer. The adoption of this course by the Director need not be objected to. The Director's proposal to include one candidate in the estimate for the subject may also be accepted. The Dir. may also be told that, under General Rule 5, the Mangalore post has to be filled by transfer so long as it is tempy. and that the question of its reservation for direct recruitment or transfer will arise only after it is made permanent.

In ~~what~~ which post? In the Lecturer's post? By 'conversion' of post? Then, what about the pay? And what is the justification for the course, any way?

Secy's queries ~~re:Commerce Unit-p. 4 ante:~~ on pp.3-4 above:

The post of Asst.Lecturer in Commerce in the Coimbatore College is, apparently, not vacant, but held by some person. The proposal made by the D.P.I. with a view to the regular appt. of Sri T.Appalanarasiah, Dy.Inpr., as Lecturer, is to the following effect: He be now given a 'paper appt.' in the Asst.Lecturer's post, with retrospective effect(from the date on which he joined the Lecturer's post in the M.E.S. in that college): ["promotion" of Dy.Insprs. as Asst. Lecturers is admissible whereas "appt. by transfer" of Dy.Insprs. as Lecturers is not allowed]; and that that 'paper appt.' of the officer as Asst.Lecturer be ordered without prejudice to his tempy. appt. as Lecturer. By making such an arrangement, Sri Appalanarasiah would become a member in the Asst. Lecturers' category by the operation of General Rule 20(d) and would become eligible for recruitment by transfer to the M.E.S.-Collegiate Section. The other person who has been offg. as Asst. Lecturer will have to be shown as offg. in that post "Vice Sri Appalanarasiah on other duty". Conversion of the Lecturer's post into Asst. Lecturer's post will not be necy.; there would not arise any difficulty about ri Appalanarasiah's pay also: he will continue to draw the inimum of the M.E.S. scale (Rs.230) under rule 9(b) of the

General Rules,

The justification for accepting the Dir.'s proposal is that the officer possesses the necy. qualifications: that since 20-9-46, when it was found that no other qualified candidate was available, he has been holding the post temporarily: that his work in the tempy. capacity was reported on well; and that previously the Dir. even recommended the relaxation in his favour of the rule re: the method of recruitment (which does not allow a Dy. Inspr.'s appt. as Lecturer).

D.P.I.'s proposal this respect may be approved.

No war service candidate has applied to the MPSC for appt. as Lecturer in Commerce. In top file, it is proposed to ask the DPI to suggest other methods of filling the post. The question of approving Sri Appalanarasiah's name for recruitment by transfer, is being pursued. When he is put on the approved list, he can be apptd. regularly to one of the two posts in the Unit. The other post may be filled by direct recruitment - open competition - if necy. The Dir.'s proposals may be awaited.
