Rc.No.1645-E/45, dated 3rd May 1946.

Sir,

Sub:- FORMS - Printed forms - inner sheets for muster rolls - supply.

I have the honour to state that in G.O.No.Ms.2260, Development dated 11-6-1945 Government ordered that Public Works Department muster roll forms (Public Works Accounts Code Form No.21) should be adopted in this Department and accordingly the required number of these forms has been obtained from the Government Press, Madras and they have been brought into use. As the number of coolies employed on muster rolls is very large and their names will cover several pages, inner sheets have to be used along with these forms. Hence the Superintendent, Government Press was requested to print and supply suitable inner sheets. He replied that inner sheets have not been standardised and are not available for supply and therefore plain paper should be used for the purpose. As the number of copies of inner sheets required annually is very large, viz., about 13,000 there is great.....

great difficulty and inconvenience occasioned by the ruling of the inner sheets by the plantation staff in the midst of the existing heavy work. Besides it is also found difficult to obtain the necessary large supply of white paper required for this. I therefore request that the Superintendent, Government Press may kindly be instructed to print and supply my requirements of these inner sheets each year as a special case.

I have the honour to be,
Sir,
