Handwritten note

The S. & P. is requested to report to Govt
at an early date, the reasons for the retention
of the three despatches in question, as there is not
sufficient justification for their retention
consequent on the abolition of the Publicity
Department and the closure of the "Madras
War Review". The S. & P. is informed that
the despatches should be retained pending
receipt of further reports and final orders
are passed in the matter.

2. Retention of Computers: The strengthening
 of the staff of Computers in the S.G.P.'s office
 by 1 Senior Computer and 2 head Computers
 was previously accepted in this Dept. in view

of the increase of work and for the reason
 of sectional notes that the strengthening of the staff in the lower
 ranks for supervision work will help the

S.G.P. who was then working with the
 assistance of only his Senior & Junior
 Deputies and one Assistant Superintendent

as against the strength of four Assistant
 Superintendents (due to lack of qualified
 men). In view of the general expansion
 of the Dept. of Govt., there may not be
 any reduction in the staff of the Dept.

Govt. Press. The continuance of the Computers sanctioned in G.O 1286 Eon 3 22.8.45 may be agreed to in this dept. For 1 year. 26/8

3. Retention of Despatchers: It will be seen from H 11-12 (C) of sectional notes in G.O 576 Eon dated 14.3.46 that the three despatchers viz; items (2) to (4) on p. I.C.F. were employed on War Publicity work. The Publicity dept has since been ^{discontinued} closed. When the S.G.P. came up for the continuance of 4 despatchers sanctioned in G.O 23-11-45 dated 4.1.45, he was asked to state what staff he proposed to rebench consequent on the abolition of the Publicity dept and the closure of the "Madras War Review". ^{These 4 were retained as} Please see his reply on H 7-8 C.F. of the G.O. dated 11-12 CF 4. The continuance of that staff was sanctioned to meet the increase of work in regard to the distribution of forms and pamphlets. (R) H 1-2 C.F. 4 G.O 8478 H 4 22.4.46

in connection with the demobilisation, further extension of food rationing etc. The S.G.P. has not furnished sufficient reason for the continuance of the despatchers referred to in this file who were originally employed on War Publicity work. There does not seem to be sufficient justification to retain the staff further.

4. Retention of 50 Compositors: These Compositors are to be engaged only as and when necessary with reference to the actual volume of work on hand. Such work being supported by out-turn. ^{in the circumstances}

Please see the Finance note on pp 3.5 ante.

Retention of one Senior Computer & 2 head computers

Finance agree to the retention of the staff of computers for one year instead of for three years asked for by the S.G.P. & agree to by this depth. This depth may perhaps agree.

Retention of 50 Compositors

Finance agree to the retention of the Compositors for one year as they are to be engaged only as and when necessary. This depth may agree.

Retention of Despatchers

pp 4.5 - 6. Finance object to the retention of these three despatchers, as they do not seem to be sufficient for the retention of the staff. Finance want the S.G.P. may be asked to justify their retention. Pending the receipt of a report, it is for order whether the staff may be continued.
