Sir,

Sub: Madras Edl. Subordinate Service - Qualifications for school Assistants and Deputy Inspectors of schools - Inclusion of B.O.L. Degree

I have the honour to recommend that B.O.L. degree with B.Ed or L.T may be prescribed as an alternative qualifications for appointment as Deputy Inspectors of schools, Junior or Senior or School Assistants and Headmasters to teach one of the following subjects viz English, History and Geography or languages other than English. It is found that the course for the B.O.L. is not very different from those for honours degrees. Both B.O.L. and honours men take the preliminary examination in English and specialise in one subject. I request that necessary amendments to Annexure II to the Special Rules for the Madras Educational Subordinate service may kindly be issued.

I have the honour to be,

(Designation) Deputy Director of Public Instruction

To The Secretary to the Government of Madras,
Department.

EDUCATION AND PUBLIC HEALTH

Sir,

After a careful consideration I have the honour to
withdraw the recommendation made in this office letter R.O.C.
No. 4067-C/45, dated 31-10-45.

2. I consider that a B.O.L. B.T./B.Ed. is unfit to be a
Deputy Inspector and equally unfit to be a teacher of any
other subject except the language in which he has taken his
degree.

3. The avenues of approach to B.O. L. are one via the
Matriculation and Intermediate, the latter being purely a
linguistic and language course and the other via the admission
test Examination of the O.T. with Matriculation English and
Intermediate as above. This means that, whatever may be the
training the B.O.Ls. may receive in languages other than
English, their training in and preparation to teach History
and Geography are Nil. The B.O.Ls do not have any training
in any subject other than their own ^{special} subject and to a very
limited extent in English at the Intermediate level. There-

fore.....

12

Therefore as School Assistants the B.O.Ls. can teach the language in which they have taken the degree; they may be able to teach English, with effort, upto the Third Form stage and their grammar and composition will be definitely poor; and they cannot teach History and Geography. As Deputy Inspectors they may not reach the standards fixed by the Department which requires men with some width of outlook and a general basic training in subjects like Mathematics, History and Geography and Sciences besides English and a language.

4. In view of the proposed change in the policy of the Government making the mother-tongue the first language in the school curriculum it is quite necessary to appoint persons possessing the qualifications of B.O.L.B.T./B.Ed., as language Assistants in the scale of pay allowed for School Assistants; Deputy Inspectors (Selection Grade) in all Government Training and High Schools. This will give them opportunities to qualified B.O.Ls to have the status and pay of School Assistant but they will not be eligible for appointment as Deputy Inspectors. I shall submit the necessary proposals to Government as a part II scheme for 1947-48.

5. The amendments to the Special Rules for the Madras Educational Subordinate Service referred to in para 2 of the Memo. are enclosed.
