ENCLOSURES :
29 DEC 1945
Sir,
DEVELOPMENT DEPARTMENT

No. P.1143-45, dated the 24th Dec. 1945.

Sub: Official Tablet diaries and card calendars
for 1946 - Supply - Sanction - Requested.

Last year the Superintendent, Government Press, Madras, in the first instance supplied 54 Tablet diaries and 57 Card Calendars for 1945 for distribution among officers of this Department. As this supply was insufficient, Government in G.O. No. 448/Education, dated the 22nd March 1945 subsequently sanctioned the additional supply of 30 copies in each of Tablet diary and Card Calendar making the total of Tablet diaries 84 and card calendars to 87.

Since then, the number of Gazetted officers in this department has considerably increased and I now require 142 copies of Tablet Diary and 142 copies of card calendar for distribution among all Gazetted officers in the department. I therefore request that Government

may be pleased to sanction the supply of 142 copies in each of Tablet diary and card calendar beginning from 1946.

A distribution statement for 142 copies is enclosed.

Your obedient servant,

for Director of Agriculture.

No. 1.D. Dated. 17th January 1946.

Sir, Ref:- Endt. No. 107-F.1 Edn., dated 8-1-46.

Sub:- Official Tablet Diaries and Card Calendars - Additional supply for the use of the officers in Agricultural Department - required by the Director of Agriculture, Madras.

Prior to receipt of orders in G.O.No. 1615 Edn. dated 31st October 1944 and 448 Edn., dated 22nd March 1945 the Director of Agriculture, Madras was being supplied with 42 tablet diaries and 45 card calendars only.

For 1945, the above officer was supplied with 84 tablet diaries and 87 card calendars in view of the orders quoted above.

As the sanction covered by the orders referred to was only for 1945, this officer was supplied with 42 tablet diaries and 45 card calendars only during 1946.

This officer now requests for an additional supply of 100 tablet diaries and 97 card calendars, which can be made if Government accord sanction therefor.

In this connection, it is brought to the notice of Government that officers applying for additional copies do not seem to take note of the notification published in part II of the Fort St. George Gazette dated 7-8-45 which results in frequent reprinting of the diaries and calendars.

It

It is therefore requested that the attention of the officers may be drawn to the notification with a view to make them apply to Government in time for additional copies.

The letter of the Director of Agriculture with the endorsement of the Government in original is returned herewith.
