Sir,

Sub: Diaries- Tablet diaries and calendars-  
supply- requested.

The Textile Control Department is a temporary one created during war time. There are two I.C.S. Officers and 6 Gazetted Assistants in this office. I addressed the Superintendent, Government Press to supply this department with 8 official tablet diaries and calendars for 1946. He has informed me to say that the sanction of the Government should be obtained for the same as provision has not been made for this office in the sanctioned distribution list. I request that 8 official tablet diaries and calendars for 1946 may be sanctioned urgently for this office and the Superintendent, Government Press, directed to supply them urgently.
