Sir,

Subject:- Education - School - Agaramangudi Panchayat Board
 Papanasam taluk - Tanjore district - Provision for the
 second teacher with retrospective effect.

The Agaramangudi Panchayat Board has been maintaining a school for which grant-in-aid is being paid from provincial funds. As the attendance at the school was unwieldy for a single teacher, the panchayat board entertained a second teacher with effect from 5-4-1945 and was paying him from its funds in anticipation of sanction of provision from provincial funds placed at my disposal. On 17-12-1945 it solicited orders for provision for the additional teacher. The District Educational Officer did not specifically recommend sanction with retrospective effect and so sanction was accorded from the date of order 30-1-1946. The President, Panchayat Board in his letter dated 2-3-1946 received in this office on 4-3-1946 has represented that he has entertained the second teacher from 5-4-1945. The District Educational Officer, Tanjore, who was consulted has recommended in his letter No. 676/46 dated 30-4-1946 received in this office on 3-5-1946, sanction of provision for the teacher from 5-4-1945.

I enclose a copy of this office circular No. 80 dated 6-6-1934 informing the panchayat board that eligibility for grant arises from the date of order sanctioning the provision for the additional teacher and that requests for payment of grants for previous periods are liable to summary rejection. The grant placed at my disposal during any official year is based on the amount required for paying the teachers during that year. In the above circumstances it is doubtful whether I am competent to sanction grant from the allotment of this year for the teacher in question from 5-4-1945 to 30-1-1946. As similar cases are likely to come up I solicit orders of Government on the question.

S. Subbarayasachari
 1/2 for Inspector.

Copy of this office circular No. 80 dated 6-6-1934.

Sub:- Education - Elementary - Panchayat schools - Opening of schools and employment of additional teachers - Panchayats advised to arrange for - Only after receipt of sanction.

Under the existing orders of Govt., the opening of elementary schools by panchayats can be sanctioned only if the population likely to be served by the school is not less than 500 and if the panchayats concerned undertake

(a) to employ qualified teachers and run the school in accordance with the Madras Ely. Edn. Rules and subject to the orders issued by the Inspector from time to time,

(b) to provide a suitable building for the school in an unobjectionable locality accessible to all communities, and

(c) to meet from the panchayat funds all contingent and other expenditure on the school over and above the grant received from Government.

2. Panchayats which agree to the above conditions, should submit

the Inspector

(i) a copy of the resolution passed by them in the terms mentioned above, and

(ii) an application in the prescribed form (which should be obtained from the Inspector) and await orders.

3. The school should not be opened till after receipt of orders from the Inspector sanctioning it as it is always open to the Inspector to refuse sanction. Even in cases where a school opened by a panchayat happens to be subsequently sanctioned by the Inspector, the panchayat will only be eligible for grant from the date of issue of the order sanctioning the school and not for any period previous thereto. Panchayats are therefore advised not to start schools in anticipation of the receipt of orders from the Inspector.

4. Similarly, in cases where additional teachers are -- required for a school, panchayats should immediately make an application to the Inspector to that effect and furnish in the application information as regards the average attendance of pupils during the previous six months and the number on rolls on the date of application. Ordinarily an additional teacher will be sanctioned if the average attendance is above 40 and a third teacher when such attendance exceeds 70. The sanction to the employment of additional teacher is subject to the further condition that his employment is recommended by the District Educational Officer and that provision is available in the sanctioned -- strength of additional teachers. Panchayats are not entitled to grant on behalf of any additional teacher employed by them without the previous sanction of this office. Even if such sanction is subsequently accorded, the eligibility for grant arises only from the date of the order sanctioning the post. Requests for payment of grant for previous periods are liable to summary rejection.

Adult Edn. scheme on a large scale. They have been working on the plan of furthering primary education instead. Edn. of adults is provided on a small scale by way of grants to public libraries, adult edn., classes etc. The Edn. Sub-Committee of the P.W.R. Committee ^{made} the following recommendations in regard to adult edn.:

- (a) that there was need in this Province for giving further encouragement to existing institutions for carrying out schemes for making illiterate adults literate;
- (b) that adult edn. (in the real sense) should be developed through University extension work, adult education centres with libraries, the regular educational institutions and the use of the radio and the cinema; and
- (c) The committee also suggested the introduction of a Library Act in the Province and the issue of departmental bulletins in different languages with the object of maintaining literacy.

Ref:- Govt. Memo. No. 27756-B2-46-2 Edn., dated 8-6-1946.

I enclose a copy of the letter of the President, Panchayat Board Agaramangudi. The President, panchayat board was evidently not aware that Inspector's prior sanction should be obtained for the appointment of the second teacher. I recommend that the grant due to the additional teacher may be sanctioned for the period from 5-4-1945 to 30-1-1946.

for Inspector.

Copy of letter dated 5-7-1946 from the President, Panchayat Board Agaramangudi, to this office.

Ref:- Your letter dated 25-6-46 Rec. No. 7113/46-A6.

This panchayat board took the management of the local Aided Elementary School on 4-1-1945 with 5 classes. No copy of the rules

book or manual has been supplied to this board and the matter is still under correspondence with the Deputy Inspector, Papanasam. I have not also received up-to-date the separate orders promised in paragraph 2 of your first order of 18-12-1944 No. R.Dis. 27688-44 the reminded. In short this board is conducting the school under instructions received then and there from the Deputy Inspector, Papanasam.

2. As already reported the Deputy Inspector, Papanasam communicated to this board your order Roc.No. 10241-43-72 dated 4-5-1945 regarding provision of assistant teachers in panchayat schools and called for necessary application for provision of Government grant vide his letter dated 7-6-1945 No. Rc. 349/43. In my reply dated 14-6-1945 I solicited instructions if a separate application for provision of Government grant to the assistant teacher should be sent, as the particulars of the two teachers on duty had already been furnished in the teaching grant certificate forms sent to the Deputy Inspector in of Local Boards, Trichinopoly. I received no reply from the Deputy Inspector on the subject. I concluded therefrom that my work on the subject ended there. I have no other explanation to offer on the subject.

In the circumstances explained by the Inspr. of M.L. C.S. & L. Bds, the Govt. authorize him to sanction disburse a grant to the Agaramangudi Panchayat Bd. Sub: - Addl. teacher in a Panchayat School - Grant from provl. funds.

The Agaramangudi Panchayat B.

in Tanjore Dt. ~~has~~ employed an addl. teacher in its ele. School on 5-4-45 and applied ^{in December 1945} to the Sushr. of Ml. cls & Local Bds. for sanction to the payment of grant for the teacher. The Sushr. has allowed a grant ^{from} 30-1-46 the date of sanction. He enquires whether a grant may be paid for ^{the} a period from 5-4-45 to 30-1-46 during which the addl. teacher was employed in the Panchayat School without prior sanction of his superior.

2. The question is whether an addl. teacher is necessary for the school and whether the Panchayat can meet the pay of the teacher from its funds. The D.E.O. has admitted the need for an addl. teacher in the Panchayat School. The Sushr. has ^{apparently} also satisfied himself about the ⁱⁿ ability of the Panchayat to meet the pay of the teacher from its funds, as he has sanctioned a grant from provl. funds for the teacher. On the circumstances it does not appear that grant can be refused for the ~~period not covered by sanction~~ ^{on the} technical ground that the Panchayat ^{did not} ~~had not~~ obtained prior sanction. If this view is concurred in, the Sushr. may be asked to disburse the arrears grant due to the Panchayat. He may follow a similar procedure in other cases.
