Enclosures

Para V of the Audit Report.-

SEPARATE COPIES

1. New Ledgers have been opened and the transactions recorded. A separate report of progress on the other items of work done so far will be submitted.

2. Para VI of the Audit Report.-

There are about 51 Service Registers yet to be opened. Every effort is being made to push through the work with the limited staff of experienced hands. But I am afraid that these books and leave accounts cannot be brought up to date and concurrently maintained without an increase in the cadre of higher grades in the absence of which the exodus to other offices of the limited number of lower grade experienced hands continues.

Para VIII of the Audit Report.-

3. Daily outturn of compositors.

Provision to guard against short outturn has been made in my proposals for the grant of bonus to compositors giving more than the minimum fixed outturn.

Para XI of the Audit Report.-

4. The recovery of the amounts referred to in the two cases amounting to Rs 2-6-0 and Re.0-14-0 being the cost of Road Traffic Code and quarterly list of Gazetted Officers supplied to the Headquarters Indian Division has been waived by me as irrecoverable under the powers vested in me, as protracted correspondence and special reminders for payment of the bills having proved futile and in view of additional expenses by way of postage charges.

Para XII of the Audit Report.-

5. The total value of the missing stores is Rs 1763-15-0.

Para IX of the Audit Report.-

6. The completion of stores ledgers for the year 1944-45 was as usual done in time for the preparation of annual report for the year 1944-45.
