Copy of letter from the Manager, Sri Ramakrishna Mission High School, Thyagarayanagar dated 23.4.1946.

The Madras Schools Athletic Association classify competitors, for all their competitions, into four grades, viz. (1) Seniors, (2) Intermediates, (3) Juniors, (4) Sub-Juniors. A competing school may send up teams of one or more grades. Of the teams sent up, one or more may win the Finals. The Boys of this school who scores the largest number of runs in cricket among the players of the team of the highest grade which has won x is to be awarded "The B. Subramaniam Prize". If no team wins in a year, the boy who scores the largest number of runs in cricket of the team of the highest grade which has competed in the year, is to be awarded the prize. This is the view of the Executor of the Will of the donor. The words "of the highest grade" occurring in clause 3(a) of the draft scheme refer to "Cricket matches" in the clause.

2. In the intra-school sports, ie. those held within the school, competitors are classed in the same four grades shown in paragraph 1 above. The words "Champion Athlete of the highest grade" occurring in clause 3(b) of the draft scheme mean that girl who scores the highest number of points of those in the team of the highest grade that competes during the year. This also is the view of the Executor of the Will.

It appears from page 19, c.f. that the scheme outlined there is an interpretation by the executor of the wishes of the donor as expressed in his will. It is desirable to get a copy of the relevant portion of the will, and satisfy ourselves that the interpretation is correct. Section 5 (5) of the Charitable Endowments Act, 1890, specifically requires that in the settlement of the scheme, effect should be given to the wishes of the author of the trust, so far as they can be ascertained.
