Sir,

I am a 'war service' candidate for the post of a School Assistant. My application to the Services Commission for one of the reserved posts which was submitted through the Special Assistant to the Collector of Malabar for resettlement of war service personnel, was returned to me on the ground that I am overaged. I was born on the 4th June 1913 and as such will be 33 years and 26 days on 1st July 1946. I request that I may be exempted from the bar regarding age on the following grounds:-

1. I joined the Educational Department in Government service in October 1941 as a secondary grade teacher and from 1st November 1942, I had continuous service as acting secondary grade teacher and school assistant which would count for probation. The entries of my service register, which is now in the National War Front Office will prove this. In July 1943 I was asked by Miss D'Souza, the then Inspector of Schools if I would take up the Lady Lecturer's place in the National War Front and as it was a call to duty and as I honestly believed that I would be bettering my prospects, I accepted the offer. I was called for an interview by Mr. A.R. MacEwen, the then Collector of Malabar in July 1943 and was selected from among a large number of lady applicants and was recommended to the Provincial Organiser of the National War Front. Owing to some protracted correspondence regarding the pay that should be given to me my appointment as Lady Lecturer was announced only in January 1944. Meanwhile anticipating my appointment in the National War Front, the Educational

36

MS

Department did not provide me with an acting post when the School Assistant's place in which I was acting terminated in December 1943. I was thus on probation from 1st Nov 43 to 2nd Dec 1943 - 13 months. As I had commenced my probation as a secondary grade teacher remitting Rs 10 for the appointment in the regular cadre of secondary grade teacher on 1st Nov 1942 that is before I had completed 30 years of age and would have completed my probation but for my being asked to take up the lecturer's place in the National War Front, I beg respectfully to submit that I have a claim for exemption from the age restrictions.

2. From 17th January 1944 I was employed as the Lady Lecturer in the National War Front till it was abolished on 9th July 1945. In G.O. No. 4077 Public (Services) dated 5-2-43 service in the National War Front has been declared as "War Service" entitled to privileges presumably in respect of seniority. Please see also page 205. Madras Services Manual Volume I, Provincial and Subordinate Services 1942. Recruitment Rules 1941. Rule (3) Sub Rule I (a).

3. It will be seen from the above that my war service has affected my prospects in life prejudicially and that a sympathetic view may be taken of my hard case. I therefore pray that I may be exempted from the age restrictions when considering this petition.

Calicut,
28-1-46.

I beg to remain,
Sir,
your obedient servant,
A. Thomas Mariamma.

Girls' Schools, VI Circle, Calicut in her letters No. Roc. 361/45
dated 20-2-46 and 30-3-46 (copy enclosed) there is no case
for exempting Miss A. Thomas Mariamma from the age rule. But in
view of her service in the National War Front and the orders
issued in Government Memorandum No. 476/45-6 Public (War) dated
5-11-45, I recommend that the provisions of rule (6) of the
special rules of the Madras Educational Subordinate service be
relaxed in her favour to enable her to apply to the Madras

Read: Petition dated 28-1-1946 from Miss A. Thomas Mariamma
B.A., L.T., Near Victory House, Bank Road, Calicut for
exemption from age rule.

In her petition read above, Miss A. Thomas Mariamma states
as follows:-

"I joined the educational dept. in Government service in
October 1941 as a secondary grade teacher and from 1-11-42,
I had continuous service as acting secondary grade teacher
and school assistant which would count for probation.
Anticipating my appointment in the National War Front the
Educational Department did not provide me with an acting
post when the School Assistant's place in which I was
acting terminated in December 1943. I was thus on probation
from 1-11-42 to 2-12-43 - 13 months. As I had commenced
my probation as a secondary grade teacher remitting Rs.10/-
for the appointment in the regular cadre of Secondary grade
teacher on 1-11-42 i.e. before I had completed 30 years
of age and would have completed my probation but for my
being asked to take up the Lecturer's place in the National
War Front, I submit that I have a claim for exemption
from the age restriction".

2. The inspectress is requested to report whether these
statements of the petitioner are correct and also to furnish the
periods with dates during which Miss A. Thomas Mariamma worked
as Secondary grade teacher and School Assistant.

3. As a reply is due to Government, this reference may be
treated as urgent.

Copy of R.O.C.361/45 dated 20-2-1946 from the Inspectress of Girls'
Schools, Sixth Circle, Calicut.

Th With reference to para 2 of the Proceedings quoted above
I have the honour to furnish below the periods with dates during
which Miss A. Thomas Mariam worked as Secondary Grade Teacher and
School Assistant.

Termination of leave vacancy and termination
of probation as Secondary grade Teacher.

P.T.O.

The teacher had continuous service from 1-11-42 to 1-12-43 as Secondary Grade Assistant and School Assistant as per the details of her service given above. Her service from 1-11-42 to 1-12-43 y.m.d. 1-1-1

counts for her probation in the Secondary Grade Post. The statement made by her in sentence 1 of her petition quoted in the Director's Proceedings under reference is therefore correct as per details given above. Her statement in the Second sentence is not correct. The reason why she was not offered a Secondary Grade Teacher's post after the termination of the vacancy of the School Assistant's post on 1-12-43 was because her probation in the Secondary grade post was terminated and not because her appointment as lecturer in the National War Front was anticipated. In fact the Director in his proceedings No. No. 1927 W/43 dated 22-12-43 had requested the Inspectress to report whether the service of the teacher may be lent to the National War Front for appointment as lecturer. In No. No. 395 A/45 dated 29-12-43 it was reported that her name had been recommended for appointment as additional Lady Lecturer in the National War Front organisation in June '43 and that her officiating services as Secondary Grade Teacher was terminated from 2-12-43 as she took no interest to work as a Secondary grade teacher, but was always aspiring for a school Assistant's post.

The statement made in sentence three of her petition is obviously incorrect in view of the facts stated in para 2 above. Her probation having been terminated on 2-12-43 after 13 months and 1 day, she could not have completed her probation in any case had she joined the National War Front post or not joined it.

According to an extract from her Service register she joined the National War Front Post on 17-1-44 on a salary of Rs. 100/- Miss A. Thomas Mariam should have been fully aware of the fact that she could not have accepted this position such a salary as she was definitely informed by the Collector even on 26-7-43 that as a Government servant she would be eligible only for a salary of Rs. 30/- or Rs. 70/- according as she held the Secondary Grade or the School Assistant's post. So when she accepted the post on Rs. 100/- she knew she did it as an outsider.

Copy of Director's Proceedings No. 600 C/46 dated 16-3-1946.

Read; Letter No. Roc. 361/45 dated 20-2-1946 of the Inspectress of Girls' Schools, VI Circle.

The Inspectress is requested to report whether the termination of probation of Miss A. Thomas Mariam in the cadre of Secondary Grade teacher from 2-12-43 was due to unsatisfactory work or for want of a vacancy in the cadre of Secondary grade teachers and if for the former reason, was an order communicated to her, informing her of reason for such termination.

Information may also be furnished as to whether Miss A. Thomas Mariam applied for a secondary grade teacher's post after her discharge from the post of Lady Lecturer National War Front.

Copy of letter Roc. 361/45 dated 30-3-1946 of the Inspectress of Girls' Schools, Sixth Circle, Calicut.

Ref: Director's Proceedings No. 600-C/46 dated 16-3-1946
- Miss A. Thomas Mariam, B.A., L.T., - Services as Secondary grade teacher.

I have the honour to state that from the Register of Probationers maintained in the office, I find that the probation of Miss A. Thomas Mariam is recorded to have been terminated from 2-12-43. It is also noted from the connected files that in this office letter R.C. No. 395 G1/43 dated 29-12-43 with reference to Director's Proceedings No. 1927 W/43 dated 22-12-43 it was reported that as the teacher being an L.T. took no interest to work as a Secondary grade teacher and therefore her officiating services as Secondary grade teacher were terminated with effect from 2-12-43. There is no record to show that an order terminating her services was communicated to Miss A. Thomas Mariam. That she was aware of t

termination of her probation is evident from the fact that she accepted the post in the National War Front on Rs. 100/- as otherwise she would have been eligible only for a pay of Rs. 30/- i.e. the pay drawn by her as officiating secondary grade teacher about which she was specifically informed by the Collector in his letter Ref. No. W3-5858-M43-5 dated 26-7-43. (copy enclosed). See below

Miss A. Thomas Mariam has not applied for the post of a Secondary Grade teacher after her discharge from the post of Lady Lecturer National War Front. She made an oral request that she may be given a secondary grade teachers' post in case she does not get a School Assistant's post.

Copy of Ref. W.3.5858-M.43-5 dated 26-3-1943 from the Collector of Malabar to Miss A. Mariam Thomas, B.A., L.T., Teacher, Govt. Trg. School for Women, Calicut.

War - National War Front - Additional Lady Lecturer - Appointment.

Government have ordered that persons already in Govt. service who are appointed as Lecturers in the National War Front will get only the same pay they would have been drawn in the regular line but for their appointment as such lecturers. In view of this order, you will be eligible only for a salary of Rs. 30/- now in the National War Front in case you are appointed as Lecturer. If you are promoted to a Higher Grade in the Educational Department, you can then draw that higher grade pay in the National War Front also. Please let me know whether you desire to be appointed as Additional Lady Lecturer in these circumstances.

2. If you are willing to resign your post in the Education Department in order to take up the post in the National War Front, you can be given a salary of Rs. 100/- per mensem in the National War Front. please let me know whether you are willing to resign your present job and take up the National War Front, Lady Lecturer's post.

33154 Respected Sir,

I was a "war service" candidate for the post of a School Assistant. My application to the Services Commission for one of the reserved posts which was submitted through the Special Assistant to the Collector of Malabar for resettlement of war service personnel, was rejected on the ground that I am over-aged. I was born on the 7th. June 1913 and as such will be 30 years 7 months and 10 days on the 17th. January 1944, the date on which I joined the National War Front. I requested that I may be exempted from the bar regarding the age on the following grounds:-

I joined the Educational Department in Government service in October 1941 as a Secondary Grade Teacher, and from 1st. November 1942 I had continuous service as acting Secondary Grade teacher and School Assistant which would count for probation. The entries of my service register which is now in the National War Front office will prove this. In July 1943, I was asked by Miss. D'souza, the then Honectress of Schools, to take up a Lady Lecturer's place in the National War Front. As it was a call to duty and as I honestly believed that I would be bettering my prospects, I accepted the offer. I was called for an interview by the late Mr. A. R. MacEwen, the then Collector of Malabar in July 1943 and was selected from among a large number of Lady applicants for the post of Lady Lecturers and was recommended to the Provincial Organiser of the National War Front. Owing to some pretracted correspondence regarding the pay that should be given to me, my appointment as ^aLady Lecturer was announced only in January 1944. Meanwhile anticipating my appointment in the National War Front, the Educational Department did not provide me with an acting post when the School Assistant's place in which I was acting terminated in December 1943. I beg to submit that I have a claim

for exemption from age restrictions.

From 17th. January 1944, I was employed as the Lady Lecturer in the National War Front, till it was abolished on 9th. July 1945. In G. O. No. 4077 Public (Services), dated 5-2-43, this has been declared as "War Service" entitled to privileges presumably in respect of seniority. Please see also Page 205 Madras Services Volume I, Provincial and Subordinate services 1942, Recruitment Rules 1941, Rule (3) Sub Rule I (a). In Government Memo. No. 476/45.6 Public (War) Department, dated 5/11/45, the policy of Government in the matter has been resited.

I am a war service candidate and am the only member of the National War Front with a University Degree. My services in recruiting have been recognised by Government.

In these circumstances I respectfully request that Government may be pleased to exempt me from the age restrictions.

Awaiting your orders.

Miss A. Thomas Mariamma was employed
in the Madras Educational Subordinate Service as
Secondary Grade Assistant and temporarily as School
Assistant from 1st November 1942 to 1st December 1943.
She was employed as Lady Lecturer in the National War
Front from 17th January 1944 to 9th July 1945. She
now states that she joined service as Secondary Grade
Assistant before ^{she was} 30 years of age and that she would
have completed probation and become eligible for
promotion as School Assistant if she had not been
asked to take up the Lecturer's appointment in the
National War Front. She ^{therefore} requests that she may be
exempted from the age-rule to enable her to apply
for appointment as School Assistant by direct recruit-
ment. The Director of Public Instruction recommends

her

her request in view of the service rendered by her in the National War Front.

2. His Excellency the Governor of Madras accepts the Director's recommendation and directs that under sub-section (5) of section 241 of the Government of India Act, 1935, that the provisions of rule 6 of the Special Rules be relaxed in favour of Miss. A. Thomas Mariamma to enable her to apply to the Madras Public Service Commission for selection for appointment as School Assistant.

Thomas Mariamma - Miss A. - Ex-Lady Lecturer, National War Front - Request for relaxation of the rule relating to age limit for appointment as School Assistant in the Madras Educational Subordinate Service.

C.No. 25947/46. Petition from Miss A. Thomas Mariamma, Calicut, dated 28-1-1946.
Endorsement of the D.P.I. R.C. 600-C/46 dated 10-5-1946.

The petitioner, Miss A. Thomas Mariamma was employed in the Madras Educational Subordinate Service as Secondary Grade Assistant and as ^{temporarily} School Assistant from 1-11-42 to 1-12-43. She was employed as Lady Lecturer in the National War Front from 17-1-44 to 9-7-45. She now wants to apply to the Madras Public Service Commission for selection for appointment to the post of School Assistant by direct recruitment. As the prescribed age limit for such appointment is 30 and the petitioner is overaged (32), she requests that rule 6(a) of the M.E.S.S. Rules relating to age may be relaxed in her favour to enable her to apply to the M.P.S.C. for selection.

2. The grounds urged by the petitioner in support of her request for exemption from the prescribed age limit are that she joined service as Secondary Grade Teacher before she was 30 years of age and that she would have completed her probation and become eligible for promotion as School Assistant if she had not been asked to take up the lecturer's place in the National War Front. She also states that she was not provided with an appointment in the M.E.S.S. after the termination of her appointment as School Assistant on 1.12.43 anticipating her appointment as Lady Lecturer in the National War Front.

3. Attention is solicited to the letters from the Inspectress of Girls' Schools on page 6 c.f. It will be seen that the reason given by the petitioner for not providing her with a secondary grade teacher's post after 2-12-43,

viz. M. above,

she took no interest in her work as is incorrect. ~~that her work as~~ secondary grade teacher and was aspiring for a school posts post. ~~was unsatisfactory and that her officiating service was~~ though no order stating that reason was communicated when terminated on that ground, It cannot therefore, be said

that she would have completed her probation as secondary grade teacher if she had not been appointed as lady teacher. ~~Attention is also invited to points marked 'P' in P.7.C.F.~~ The case of the teacher is not identical with that of Mrs. L. Prakasa Rao in whose case the age rule was relaxed in view of her service in the National War Front. The petitioner can be re-employed as secondary grade teacher as there is no age limit for such appointment.

It is for consideration whether the provisions of rule (6) of the Special Rules of the M.E.S.S. should be relaxed in her favour to enable her to apply to the M.P.S.C. for appointment as school assistant. The remarks of Public (Ser) may be invited u.o.

Public (Ser) Department.

Before noting upon this case, E. & P.H. may be requested to say whether the petitioner actually resigned her post of secondary grade teacher before she took up the job of Lecturer in the National War Front Organisation. Please compare para 2 of the Collector's letter at page 7.C.F. The file may be returned to E & P.H.

Neither the current file nor the note file need be read except to the extent specified below. The facts of the case are as follows:-

One Miss A. Thomas Mariamma was regularly appointed as a secondary grade teacher in the Madras Educational Subordinate Service with effect from 1-11-1942. She acted in that post up to 30-7-1943 when she was under the Emergency provisions promoted as a School Assistant in that service. With effect from 17-1-1944 she was lady lecturer under the late National War Front Organisation, service in which is regarded as war service but not military duty. During the period 2-12-1943 to 16-1-1944 she was without any employment.

Although it is stated that her probation as secondary grade teacher was terminated with effect from 1-12-1943 there is no record to show that her probation was terminated or that she was asked to show cause why her probation should not be terminated, nor did she tender any resignation of her post of secondary grade teacher before she took up the employment under the National War Front Organisation. She has now applied for exemption from age limit for regular appointment by direct recruitment to the post of School Assistant in the Madras Educational Subordinate Service. The E & P.H. department do not support the request.

Her position is as follows. As there is no order

if note (3) under rule 2 (g) (iv) of the N. & S. (b. S.P.) R. Rules 1942

terminating her probation as secondary grade teacher and as there is no indication that she resigned her post she must be regarded as a probationer in the post of secondary grade teacher deputed for duty in the National War Front Organisation. Although her service in that organisation does not count for probation in the post of secondary grade teacher her case falls under Rule 8 of the General Rules for the Provincial and Subordinate Services. It was not correct to have kept her unemployed during the period 2-12-1943 to 16-1-1944. E & P.H. may therefore ask the D.P.I. to take her back as a secondary grade teacher and if she is willing ask her to put in the remaining period of probation; and after she had completed her probation she can be considered for promotion as School Assistant. She seems to deserve this consideration as she has put in some 'war service'. In case she is so treated, the question of exempting her from the age rule will not arise.

The intervals during which she was unemployed may be regarded as leave for which she may be eligible.

The file may be returned to E & P.H. That department may be requested to circulate the case to H.P.M.

How did she draw Rs 100 as lecturer in the National War Front Organisation if she had not ceased her connection with the Educational department?

2. We may, I think, find out ^{definitely} whether her ^{probation} as secondary grade teacher was terminated following the procedure prescribed in rule 22 (a)(ii) of the Genl. rules.

Para 1 above: E & P.H. may be requested to ask the Collector of Malabar - of his letter at page 7 CF.

Para 2 above: That the procedure was not followed is clear from the D.P.I.'s letter at p 6 CF & the reply of the Inspectors at pp 6-7 CF.

If any further information is required by the A.S. E & P.H. may be requested to obtain.

Please see notes from p 3 ante. It may be inferred from the portion marked A on p 6 CF read with the Malabar Collector's letter on p 7 ibid that the petitioner was employed in the National War Front Organisation on Rs 100 on the ground that she ceased to be a member of the Madras Ed. Serv. Socy in the category of Secondary Grade teacher. The question whether ~~her~~ her probation in that category was terminated in accordance with the rules ^{or not} need not perhaps be pursued as she being a B.A. E & P.H. would not care for a job on Rs 30. There does not seem to be much difference between her case and that of Mrs. Prakasa Rao, B.A., D.T. disposed of in G.O. no 289 Ed. 2 16.2.46. I think therefore that the age rule may be relaxed in her favour as we did in the case of Mrs. Prakasa Rao.

E & P.H. may circulate the case to H.P.M. also. If the rule is relaxed as suggested above a copy of the order should be sent to the Commission.

The case relates to the question of relaxation of rule 6(a) of the Madras Educational Subordinate Service Rules in favour of Miss A. Thomas Mariamma who was formerly employed as Secondary grade Assistant and temporarily as School Assistant from 1-11-42 to 1-12-43 to enable her to apply to the M.P.S.C for selection for appointment as School Assistant - The facts of the case are stated in this Dept's note on p 1 ante. The petitioner's contention is that had she not been asked to take up the post of lecturer in the National War Front she would have completed her probation as Secondary grade teacher and become eligible for promotion as School Assistant. In view of the fact that her officiating service was terminated on the ground that she took no interest in her work + was aspiring for a school Assistant's place and would not have been allowed to complete her probation had she continued in service and it is now open to her to get employed as Secondary grade teacher for which there is no age limit, this Dept. considered that there is not sufficient justification for relaxation of the age rule. The Public (Ser) Dept. however consider that there is not much difference between the case of the petitioner and that of Mrs Prallasa Rao disposed of in G.O. no 289 Son 8/11-2-46 and that the age rule may therefore be relaxed in favour of the petitioner.

The file may be circulated to H.M (Edu) and H.P.M. for orders.
