Office of the Accountant General, Madras,
Fort-St. George, dated 9th July 1946,
No. T.M. 3-7/45-46-544.

The Accountant General,
Madras.

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

Sir, Sub: Adjustment of the cost of Provincial Preaddit cheques
(fanfold form) supplied by the Central Stamp Store,
Nasik Road.

I have the honour to state that consequent on the in-
troduction of the machine system for cheque writing in the pay
section of this office, Provincial preaudit cheques, in fanfold
form were obtained from the Controller of Stamps, Nasik Road,
as the Superintendent, Government Press, Madras, reported that
he did not possess the necessary equipment to print these special
forms. The controller has now raised necessary debit for the
manufacturing charges of these forms against the Madras Government
The Superintendent, Government Press, Madras, who was addressed
in the matter, however requires the sanction of Government for the
acceptance of debit and for necessary provision in the budget
estimate.

According to the orders contained in G.O. No. 199
Education and Public Health dated 3-2-1940, the Superintendent

Government Press, Madras was supplying these provincial pre-audit cheques.

The absence of the necessary equipment for the printing of special fanfold cheques necessitated the transfer of the printing work from the Madras Government Press to the Security Press at Nasik, but the liability of the Madras Government for printing these cheques has remained unaltered. In view of the request of the Superintendent, Government Press, the Government may now issue the necessary orders for acceptance by him of the debit of such charges for the printing of these cheques when raised by the Controller of Stamps, Nasik. Steps to provide the requisite funds may also kindly be taken.

I have the honour to be,
Sir,
Your obedient Servant,

Retransmitted.

Inasmuch as the preaudit cheques in fan-fold form have already been got printed at the Security Press, Nasik, the expenditure already incurred may be sanctioned as a special case to be met from this office contingencies - 56 Stationery and Printing II - Printing d. Government Presses A General Overhead charges - 5 Other charges - Other petty contingencies. Because there is the liability of the Madras Government to supply free of cost Provincial preaudit cheques, it was all the more necessary to find out an alternative method in consultation with me to meet the requirements of the Accountant-General or otherwise sanction of Government obtained before the work was entrusted to the Government of India Press at Nasik.

In consultation with the Superintendent of Stationery, I am finding out if special water-marked paper can be supplied in such a size as to make the printing in fan-fold style in this office an economical proposition.
