Sir,

Schemes placed on the approved list - Provision.

Ref: G.O.No. Ms. 630 Edn., dated 21-3-46.

With reference to para 2 of the G.O. read above, I have the honour to submit herewith copies of the applications received from the Correspondent, National High School (Girls) Triplicane, together with a copy of the letter from the Collector of Madras regarding the cost of acquisition.

2. As the grants relate to two different sub-heads the scheme has been split up into parts and placed in the approved list as shown below:

Building grant: Acquisition of 30 grounds for use as a site for constructing a school building and hostel for the National High School (girls) Triplicane at an estimated cost of Rs. 54,500/-.

Playground grant: Acquisition of 24 grounds for the provision of a playground for the National High School (girls) Triplicane at an estimated cost of Rs. 27,600/-.

While the approval does not convey any guarantee of grant it will render the institution eligible for a grant upto one half of the cost of acquisition in respect of each scheme. Subject to a maximum of Rs. 17,250/- and 15,800/- respectively, with reference to the valuation furnished by the Collector. I therefore request that Government may be pleased to modify suitably their G.O.No. Ms. 630 Edn., dated 21-3-46, rendering the institution eligible for grants not exceeding Rs. 17,250/- and Rs. 15,800/- respectively for the two schemes as shown above.

3. The collector reports that it may be possible to complete the acquisition and hand over possession of land before 31-3-47, and surely before the end of 47. In view of the assurance of the Collector, provision of Rs. 17,250/- under "Buildings" and Rs. 15,800/- under "Playgrounds" is being proposed in the Budget Estimate for 47-48 in respect of the above two schemes.
