EDUCATION - Evacuee student - financial assistance
1943-44 - N. Narayanan
GOVT. Memo No.7743/B.1.46/9 dated 28-3-1946

N. Narayanan, the evacuee student is under the care of his sister's husband. His father, K. N. Narayana Iyer, is suffering from heart trouble and is unable to move about. His activities are confined to the very little work he has to do as manager of the Murugappa's Agencies for which he is paid Rs.200/- per month. His properties worth about Rs.6,00,000/- in Singapore have been lost though enemy action and nothing is heard of them. Nor did he get any payment towards the loss. He has no other properties of his own. His father - grandfather of the student has left wetlands worth Rs.15,000/- assigned to his grand child-rent. There has been no income from the lands these two years for want of timely rains. The normal annual income for the property will be about Rs.600/-. The father of the student has 9 children - 5 boys and four girls. Two girls are married. Of the rest two are reading in College and the others in high school. The income of Rs.200/- earned by the father is not sufficient to meet his own medical bills and the maintenance of his large family. The statement was not in a position to get any help from his father or anybody in 1943-44 as his father was bed ridden in that period. The father finished education of the student by borrowing in anticipation of financial assistance from the Government. The sum of Rs.188-0-6 incurred for the educational expenses during 1943-44 is said to have been borrowed from friends. The Principal of the College in which the student studied in 1943-44 has certified to the expenditure. I therefore recommend that the sum of Rs.188-0-6 may be sanctioned for payment as a special case.

A copy of the statement of D. Krishnan, brother-in-law of the student and the statement of the expenditure certified by the Principal are submitted herewith.

N. Narayanan, the evacuee student is my wife's brother. His father Mr. K. N. Narayana Iyer is invalid since 1943, so the boy is under my care. His father Mr. K. N. N. Aiyer is suffering from heart attacks and is unable to move about and is confined to his very little work in his office as Manager of 'Murugappa Agencies'. He is being paid Rs.200/- per month. He had properties worth Rs.60,00,000/- in Singapore and the claim for the loss has not yet been settled. Nothing is known of the property. He has no other property. But Narayana Ayyer's father has left for his grand children some wet lands worth Rs.15,000/-. The income therefrom is not more than Rs.600/- per year. There has been no income for two years past. The student was granted financial assistance for 1944-45 to the extent of Rs.171/-. He is applying for assistance for 1946-47 separately. He was not in a position to get any help from his father or anybody in 1943-44 as his father was bed ridden in the period. His present salary of Rs.200/- is not sufficient to meet his own expenses. He has wife and nine children including the student - 5 boys and 4 girls. Boys and 2 girls are studying - 2 in college and 5 in the high schools. 2 daughters are married. His medical bill alone amounts to over Rs.100/- per month. The expenditure of Rs.188-0-6 certified by the Principal for 1943-44 has to be paid. The amount has been borrowed and spent. The amount may be sanctioned

sanctioned. As regards the requirements of the student for 1946-47 separate application will be made with full details. The student is staying in the hostel attached to the Loyola College.
