No.B.3.4370-45 Dated 21/9/46.

Sir,

Stationery - boards - local purchase - sanction of Government -
requested.

Approximately 2000 gross duplex boards or any other board available are immediately required for printing cloth ration cards. Out of 31½ tons duplex boards allocated for 1946-47, eight tons were already received and consumed by the Government press. A further quantity of 8 tons are due from the Rhotas Industries Dalmianagar. It is not possible to wait for the supply of duplex boards from Dalmianagar and additional quantity of 2000 gross required for printing cloth ration cards cannot be met from the allocation for duplex boards for 1946-47, and as the Superintendent Government press reports that the printing of cloth ration cards will be delayed, if immediate supply is not made by this office, I request that Government may kindly pass early orders authorizing me to purchase the available quality of boards fit for printing ration cards in the local market at controlled rates.
