Ref. No. 4058-U1/45-1 Dated 14--12--1945

In continuation of its reference cited above, the Board submits that the Commissioner of Civil Supplies has proposed to introduce procurement and informal rationing of paddy and millets in the Districts of Chingleput, Chittoor and North Arcot. Proposals in the matter are being submitted to Government separately. As in the case of other districts where procurement and informal rationing is in force, the forms E and F under the procurement scheme and forms III, VI, VII, VIII and IX under informal rationing are required for use in the above three districts. As the matter is very urgent, the Board is permitting the Collectors in anticipation of the sanction by the Government to get the required forms
