RC. No. 406-K/46.

Station Madras , Dated the 28th June 1946 .

From (Name) Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Education and Public Health Department.

Sir,

I have the honour to request that Government may be pleased to sanction the opening of a Hostel in the Government Training School for Masters, Arcot with effect from the School year 1946-47.

The opening of a Training School at Arcot intended for all communities was sanctioned in G.O. No. MS.1074 Edn., dated 17--7--1945, with annual admissions.

It is now represented by the Headmaster of the School that there is a real and urgent need for a hostel as pupils suffer very much for boarding and lodging. He has suggested that a hostel may be opened in the building where there was already a hostel for Muslim pupils when the Government Muhammadan Training School was in existence. The existing accommodation will be adequate for cooking, dining, and lodging. It is reported that about 30 pupils are likely

to join.....

to join the hostel.

The additional expenditure involved in the proposal will be as follows:-

- 1) (a) Non-recurring: Cost of additional utensils etc. Rs. 275/- ✓
- (b) For the Purchase and Repair of Furniture Rs. 1,000/- ✓
- 2) Recurring:- Allowances for Deputy Warden .. Rs. 15x12= 180/-

A/ The expenditure can be met from the current year's total education grant.

I have the honour to be,
Sir,
Your Most obedient servant,

From the D.P.I.

In *the* letter cited above the D.P.I. has

proposed that an expre. of Rs. 1,000 /- may be incurred on the purchase and repair of furniture. As the hostel is to be opened in the building where there was already a ~~sk~~ ^{teacher} hostel for pupil-teachers, and as the number of pupils ^{new} likely to join the hostel is only 30, ^{it should be stated} ~~please say~~ why such a large sum of Rs. 1,000/- is reqd. for purchase and repair of furniture. It will also be observed that when the opening of similar hostels were sanctioned at Rajahmundry, Anantapur and Bimlipatam, ~~xxxxxx~~ no separate provision for furniture was allowed and that the expre. on the purchase of utensils ^{alone} ~~also~~ was approved. From Dr. S.R.U. Savor, M.A., D.Sc., I.B.S.,
Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

R.O.No.2376-K3/46, dated 24th August, 1946.

Sir,

Sub: Opening of a hostel in the Government Training School for
Masters, Arcot.

Ref: Government Memorandum No.35026-C1/46, Dn dated 24th July 46.

I have the honour to state that previously there was a training school for Muhammadans at Arcot and the strength of the Training Section was low. Part of the furniture supplied to the school was used by the students in the hostel and there was therefore no need for the supply of furniture separately for the hostel. At present the Training School is having 4 sections with a strength of 160 pupil teachers and no furniture can be spared for the hostel. The minimum furniture that is proposed to be supplied to each pupil teacher is a teapoy, a stool or an armless chair and a shelf. The cost of these articles is estimated to be Rs.25/- at the minimum. Besides some furniture is also required for the Hostel Office. Hence a sum of Rs.1000/- was provided for the purchase of furniture in my letter R.O.No.406-K/46, dated 28th June. In this connection I may however state that the number of pupil teachers likely to join the hostel has now increased from 30 to over 70 and the amount provided for is absolutely necessary.

2. Students in hostel are usually supplied with some furniture. No separate provision for furniture was made for the hostels at Bimilipatam, Rajahmundry and Anantapur since the Divisional Inspector did not ask for it - apparently students in these hostels use part of the furniture supplied to the respective training schools.

The draft order may be accepted subject
[For funds please see A/c of Govt.]
to the following remark: -
15-7-66. An expenditure of Rs 1000 is proposed to be
incurred on the purchase and repair of furniture.
Details for this expenditure have not been furnished by the
D.P.O. In view of the fact that the hostel is to be
opened in the building where there was already a hostel
for muslim pupils when the Govt. Muhammadan

EB

Training School was in existence and as the number of pupils likely to join the hostel is only about 30, it seems that the provision of Rs 1000 proposed for the purchase of furniture seems ^{excessive} ~~very high~~. E.P.H. may be requested to consider whether it is not possible to reduce the expenditure on this item.

It may also be pointed out that when the opening of hostels for training schools for masters in Kafanchung, Anantapur and Tirunipattur was sanctioned, no separate provision for furniture was allowed. Expense on the purchase of utensils alone was sanctioned - cf Govt No 1471 Eon D 15.10.45, L 1102 Eon D 20.7.45 and 1463 Eon D 18.9.45. There seems to be no justification for sanctioning an expense of Rs 1000 for this case especially when ~~there was~~ a hostel at the place.

The points raised by the Finance Dept. may be cleared up by a reference to the D.P.S. A draft is submitted.
