Sir,

Sub:- Elementary Education - Transfer of schools the
District Board, Chingleput to the Corporation
of Madras.Ref: Government Memo. No.19171-B2./46-1, Edn., dated
8-4-1946.

I have the honour to report that particulars regarding the amount of provincial subsidy paid to each of the District Board Schools now transferred to the Corporation of Madras and the number and date of Government Orders sanctioning the subsidy for the opening of these schools, are not available and that Government have consolidated all the subsidies into lump sum and sanctioned payment as per annexure to G.O.No.97, L.E., dated 17-1-1936.

There are 33 teachers working in all the ten schools * detailed given below now transferred to the Madras Corporation of which, three are secondary grade, twenty-eight are higher grade and two are lower grade.

The President, District Board, when requested to report the number and date of the G.O. sanctioning the opening of these ten schools and the amount of subsidy payable to them, reports that the particulars are not available. He also states that, in G.O.No.97, L.E., dated 17-1-1936, Government have consolidated all the subsidies paid to local bodies under different classes into lump sums and sanctioned the payments as noted in the Annexure to G.O.. It is therefore to be assumed that the ten schools are subsidised schools. Since rates of subsidy payable to them are not definitely known, I recommend the adjustment of subsidy at the rates given in the last sub-para under para 2 of G.O. No.97, L.E., dated 16-1-36.

The subsidy recoverable from the District Board, Chingleput for the year 1946-47 and payable to the Corporation of Madras will, therefore be Rs.7,652/- as per calculations shown below:--

First teacher in the ten schools at Rs.300/- ..Rs.3,000 p annum

23 additional teachers at Rs.216/- Rs.4,968 "

Less Rs.316/- for transferring the Board
School, Maduvankrai with effect from 1-8-46 . Rs. 316

Subsidy recoverable from the District Board
Chingleput and to be credited to the
Corporation in 1946-47 Rs.7,652

And the annual subsidy to be adjusted
to the credit of the Corporation 7,968

for Director of Public Instruction.

Abstract. 7.9.46

District Board, Chingleput - Transfer of schools to
the Corporation - Adjustment of subsidy.

Letter from the D.P.I. No. 22540/23/46 d 7.9.46.

From 1. 4. 1946 certain areas included under the jurisdiction of the District Board, Chingleput, were transferred to the Corporation of Madras. The D.P.I. was asked to report the subsidy that should be recovered from the District Board, Chingleput and adjusted to the Corporation in respect of the elementary schools functioning in the areas. The Director's reply is on pp. 3-5 c.f. It is observed that 10 schools have been transferred to the Corporation from the District Board, Chingleput. The Director is not able to report the actual subsidy paid from provincial funds in respect of these 10 schools. He suggests that the subsidy may be calculated on the basis of the rates mentioned in the concluding portion of paragraph 2 of G.O.No. 97 Education, dated 16. 1. 1936. and that necessary adjustments made.

2. It ~~has been~~ ^{was} the practice in the past to sanction subsidies from Provincial funds, to local bodies towards the opening of elementary schools and employment of additional teachers. The subsidies were paid at fixed rates with reference to the number of teachers employed in the schools. Local bodies were also authorised to open elementary schools out of their own funds. In 1936, the subsidies paid to local bodies were all consolidated into a lump sum the amount being fixed on the basis of the average of the amounts paid during the three years ending ^{with} 1934-1935. To ensure that the subsidies ~~were~~ ^{are} utilised to the best advantage (for the spread of elementary education) in the district, a ~~rate~~ ^{condition} was imposed that local bodies should

2. The recurring subsidy payable to the District Board, Chingleput, for elementary education will be reduced by Rs. 7,968 and ^{corresponding} addition will be made to the subsidy ~~paid~~ ^{to} the Corporation of Madras with effect from 1947-1948.
